## Jury In Bruno Case Still Out After 40 Hours

Deadlock Not Broken In  
Kelayres Election Day  
Massacre Case

DEFENDANT BREAKS  
DOWN IN ORDEAL

Speculation Rife As To Pos-  
sible Outcome Of Jury  
Deliberations

(International News Service)

POTTSVILLE, Pa., Feb. 6.—

Shedding his stoic reserve,

Joseph J. Bruno broke down and

wept bitterly in his Schuylkill

county jail cell as he awaited

the verdict of a jury deliberat-

ing the question of his guilt or

innocence of participation in the

election day massacre of

five Democratic paraders.

This was learned today as the

jury of ten men and two house-

wives remained deadlocked more

than 40 hours after they had been

debating Bruno's fate.

The 50-year-old Republican "boss"

of Kelayres, who once ruled his

political roost with an iron hand,

finally capitulated to the turbu-

lent emotions engendered by the

ordeal of his anxious wait for the

jury's verdict.

He spent a sleepless night in the

prison cell he shares with his son,

Alfred, who together with five other

relatives, is also charged with the

five massacre murders.

A jail attendant revealed that

Bruno paced back and forth in his

cell, nervous and disconsolate. He

cried intermittently throughout the

night.

Jury Out Since Monday Night

Ostensibly calm and confident

since the case was given to the jury

Monday evening, the collapse of

Bruno's hitherto implacable com-

posure was prompted by a visit paid

him in jail late yesterday by his

wife and their 18-year-old daugh-

ter, Elvira.

Immediately after Mrs. Bruno

and the girl left the cell the prison-

er broke into tears, according to

the jail attendant. He remained

disconsolate throughout the night

despite the efforts of his son to

soothe him, the jailer said.

Meantime, the deadlock gripping

the jury in the courtroom a few

hundred yards away appeared firm-

er with each passing hour. There

was rumors that a compromise

## Senate Committee Would Limit Spending Powers Of President Roosevelt

By WILLIAM K. HUTCHINSON

Correspondent

WASHINGTON, Feb. 6.—President

Roosevelt faced a revolt on his legis-

lative leadership today as the senate

appropriations committee met to

slash the dictatorial powers, voted

him by the house, to spend a new

\$4,880,000,000 work-relief fund.

The conservative committee ap-

peared determined to strip the pres-

ident of exclusive authority to spend

this money as he sees fit. It even

may discard the whole proposed \$4-

000,000,000, work program and merely

appropriate new funds for contin-

uing direct relief.

Abandonment of the work pro-

gram was proposed by Senator

Adams (D) of Colorado, long re-

garded as a staunch administration

leader. He offered a substitute plan,

calling for a \$2,000,000,000 appro-

priation for direct relief and nothing

for work, to a conference of Demo-

# CHARGES STALE ANTI-TOXIN USE REVEALED

## Margiotti Says Two Cases Shown

Hearing Tomorrow For Two Facing Charges In State Investigation

### FEDERAL MEN ALSO MAKE PROBE

(International News Service) HARRISBURG, Feb. 6.—Attorney General Charles J. Margiotti today said evidence uncovered in the probe of use of alleged stale diphtheria anti-toxin showed it had been ineffective in two Luzerne county cases.

Two men, Roy G. Miller, discharged state health department employee, and Dr. E. K. Tingely, president of the Gilliland Laboratories, Marietta, Pa., are awaiting hearings tomorrow on charges of conspiracy to endanger the public health as a result of the investigation. Miller is accused of redating diphtheria antitoxin supplied by Tingely which was distributed by the state to charity patients.

### Cites Two Cases

In one of the two Luzerne cases uncovered, Margiotti said, by state police investigation, a child named Tumcavage was treated two weeks ago with Gilliland serum without results, but he recovered.

The other Luzerne case was the death of Daniel Holop, five, Swoyersville, who died December 23, Dr. S. H. Ryndkiewicz, the attending physician, was quoted by Margiotti as having told the boy's parents he believed the serum administered was impotent. Investigation showed it to have been Gilliland serum.

These developments in the investigation paralleled the revelation that federal authorities also are investigating the case. Dr. George W. McCoy, director of the national institute of health and head of the federal health service came to Harrisburg to discuss the matter with secretary of health, Edith MacBride-Dexter, informing her he was examining the Gilliland serum sent to six southern states.

In 1933 Long Island was renamed Nassau as a compliment to Prince Maurice of Nassau, but the settlers rejected the name, and Long Island was retained by common consent.

Youngsters got their first opportunity for real sled riding last night, and were making the most of it in many parts of the city. They didn't confine their coasting to streets on which sled riding is not banned, either.

There is a dog in Croton with a bark that can be heard distinctly day and night in the second ward and the residents of the latter are annoyed, they have informed police. Operators in cruiser cars have been instructed to locate the dog with the far-reaching voice.

## Dr. Rogers Tells Of European Auto Trip

Kiwanis Club Hears Her Today; Personal Experiences Are Told

Work of the Business and Professional Women's club and activities of other established international organizations ceased in Germany with the advent of the Hitler dictatorship. Dr. Mildred Rogers, physician and leader in B. P. W. affairs here, told the Kiwanis club today as she reviewed her European motor trip of last summer.

Dr. Rogers said that Mr. Hitler quickly dissolved all German organizations with international affiliations soon after he was given his power by the German people at the national plebiscite.

Italy, the Kiwanis were told, has constructed beautiful four-way roads leading from the center of the country to many points along its borders. They are toll roads and motorists must pay to use them.

"They are grand roads in peace time," Dr. Rogers asserted, "but you can imagine how useful they might be for transporting troops in wartime from the center to the borders."

The talk brought out many personal experiences which Dr. Rogers and her companions, Miss Mary Scherger and Miss Helen Hinkson, enjoyed while in Italy, Germany and France.

At the close the Kiwanis voted to invite her to return again to tell them more of her experiences while abroad.

Dr. J. L. Popp introduced her.

## Income Tax

### WHO IS THE HEAD OF A FAMILY

A taxpayer, though single, who supports and maintains in one household one or more individuals who are closely connected with him by blood relationship, relationship by marriage, or by adoption, and whose right to exercise family control and provide for these dependent individuals is based upon some moral or legal obligation, is the head of a family, and entitled to the same exemption allowed a married person—\$2,500. Also he may claim a \$400 credit for each dependent. For example, a widower who supports in one household an aged mother and a daughter 17 years old is entitled to an exemption of \$2,500 as the head of a family plus a credit for each dependent, a total of \$3,300. The \$400 credit, however, does not apply to the wife or husband of a taxpayer though the one may be totally dependent upon the other.

Several factors are involved in determining whether a person who files a return as the head of a family is to be thus classified. The element of either legal or financial dependency must exist. A taxpayer who supports in his home minor children over whom he has the family control is classified as the head of a family and an income of their own sufficient for their maintenance. If he does not support them, by reason of his own income, but does exercise family control, he cannot be classified as the head of a family.

If an individual supported is an adult and there rests upon the taxpayer a moral or legal obligation to provide a home for such individual, the exemption as the head of a family is allowed, provided the individual is financially dependent. If the individual is not financially dependent, the exemption, even though the taxpayer maintains the common home and furnishes the chief support, does not apply.

For income-tax purposes there can be only one head of a family and the exemption cannot be divided. Not infrequently claims for the \$2,500 exemption are received from two or more members of a family.

It should be remembered that a single person, whether or not the head of a family, is required to file a return if his or her net income for 1934 was \$1,000 or more, regardless of whether the return is taxable by reason of the \$2,500 exemption.

## JURY IN BRUNO CASE STILL OUT

(Continued From Page One)

manslaughter verdict was being considered as only means to shatter the impasse.

Nevertheless, at least two of the jurors were rumored to be holding out for absolute acquittal of Bruno on the charge of murdering Frank Fiorilla, 65, one of the five Democratic paraders who died under gunfire in the massacre of November 5. It was on this charge that Bruno was tried, although he is also under indictment in connection with the four other deaths.

Some courtroom observers declared a verdict is not likely to be reached before Friday. Talk of a jury discharge and a mistrial was also widely prevalent, although Judge Cyrus M. Palmer, who presided at the 24-day trial, was said to be ready to let the jury remain out for "a week or more, if necessary."

The acute disagreement splitting the ranks of the jurors was indicated last night when in request to be locked up until this morning, the jury reported it was "far apart."

A tipster was sent out of the jury chamber to get 10 packages of cigarettes, 10 packages of smoking tobacco, cigars and ice cream.

have wisely decided not to stand trial. By entering pleas they will save time and expense of trials, and will be able to begin serving their sentences at once.

Much credit is due to the officers and officials connected with the case in bringing it to such a speedy solution.

Among the others who have signified their intention of entering pleas on Saturday are Maxwell Cegelska, charged with breaking and entering the Nelson and other stores; Edward Schuler, manufacturing unlawful liquor; and Edward Davis, charged with cashing a relief check unlawfully.

## WAKE UP YOUR LIVER BILE—WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salt, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a sick, bad taste and your breath is foul. Skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing in their power to make the bile flow freely. When it comes to liver pills, ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the label. Resist a substitute. See at drug stores. ©1931 C. M. Co.

## Less Friendly Attitude Toward Russia Planned

Soviets Refuse To Settle American Debt And Damage Claims

(International News Service)

WASHINGTON, Feb. 6.—The United States today moved formally to adopt a less friendly diplomatic attitude toward Soviet Russia as a result of Moscow's refusal to settle the American debt and damage claims on satisfactory terms.

The State Department announced withdrawal of the American consulate general and naval air attaches from Moscow.

The official explanation for reducing the number of American representatives announced informally by the State Department was that recent events had made it apparent that there would be less activity for American diplomatic representatives in Moscow.

It was admitted unofficially that the collapse of the debt negotiations prompted the withdrawal of the representatives.

## HEARINGS ON REVISION BILL GET UNDER WAY

referendums calling constitutional conventions. Precedent in Pennsylvania is to have the preliminary referendum at next November's election.

The Ruth bill provides for election of delegates at a special election May 14 of this year. Three delegates each would be elected from each of 34 congressional districts and 27 would be named from the state-at-large, voters casting ballots for two district and 18 state delegates to provide minority representation.

The convention would meet June 4 and complete its work before September 15 so that the proposed new basic law could be submitted to a referendum at next November's election. If approved, it would become effective January 1, 1936.

Before the senate committee also for consideration is the Woodward bill including the preliminary referendum feature. The bill provides for a simultaneous referendum and election of delegates next November with the proposed new constitution being submitted for ratification in November, 1936, to become effective January 1, 1937. The house Republican compromise measure, introduced yesterday, speeds up the machinery provided in the Woodward measure to put the new constitution into effect June 1, 1936.

Presents Administration's Side Harrisburg, Feb. 6.—Attorney General Charles J. Margiotti today appeared before the Republican state senate's constitutional changes committee in support of the Earle administration's bill for constitutional revision this summer.

Section by section, the attorney general discussed the Ruth bill passed by the house and now before the senate which sets up machinery to give Pennsylvania a new constitution by January 1 of next year in place of the present 60-year-old basic law.

The committee, headed by Sen. G. Mason O'Neill, was to adjourn its hearing after presentation of the administration's side of the case until next Tuesday when various civic groups will be heard.

Touching upon the provision to elect delegates by congressional districts, opposed by Republican legislators, Margiotti said:

"We used the congressional district as the unit because it represents the latest apportionment of the state and we believed it to be more representative than either the senatorial or legislative district."

Republican bills in house and senate provide for election of delegates by state senatorial districts.

Before he began his summary of the bill, Margiotti filed with the committee the report of the Earle administration named by Gov. George H. Earle to study constitutional revision of which the attorney general was chairman. The Ruth bill followed recommendations of this committee.

## MEN'S MEETING

The Men's Bible class of the First Methodist church will have a business meeting in the church on Thursday evening at 7:30, with J. D. McClelland presiding.

## Deaths of the Day

Mrs. Sarah Wareham

Mrs. Sarah Catherine Graham Wareham, aged 56, widow of Thomas Wareham, who died a year ago, died at midnight February 5, in the home of her sister, Mrs. Thomas Drake, Volant, after an illness of two years.

She was born February 3, 1879 at Volant, the daughter of John and Agnes Martin Graham, and had spent her lifetime on Lawrence county. She was a member of the Rich Hill Presbyterian church and Women's Missionary society of the church.

She is survived by a brother, W. J. Graham, this city; a sister, Marie Drake, Volant, with whom she had made her home the past year; four nieces: Mrs. Everett Young, East Brook; Agnes, Marie and Jeanette Drake, and a nephew Clarence Drake, Volant.

Funeral services will be held Friday, February 8, at 2:30 p. m. from the Rich Hill Presbyterian church with the Rev. C. M. Rohrbaugh officiating. Interment will be made in the Rich Hill cemetery.

Mrs. Mary Ann Kirker

Mrs. Mary Ann Kirker, aged 62 years, 1608 Highland avenue, widow of Lawrence W. Kirker, died at her home at 12:40 o'clock this morning. Complications developed after an illness lasting two weeks.

Mrs. Kirker was born in Wales on October 9, 1872, the daughter of John A. and Catherine Redmore. She spent most of her lifetime here and was a member of the Central Christian church.

She leaves two sons, George A. Kirker and Gerald E. Kirker of Buffalo, N. Y.; one daughter, Mrs. Harry Morse of New Castle; five grandchildren, George A. Kirker, Jr., and Margy L. Kirker of Buffalo, N. Y.; Fern L. Kirker, Albert and Eugene Morse of New Castle, and two sisters, Mrs. Kate Carey of Buffalo, N. Y., and Mrs. John Bridgeman of St. Thomas, Canada.

Funeral services will be conducted at 2:30 p. m. Friday from the home, 1608 Highland avenue, with Rev. Charles Warren Johnstone, pastor of the Central Christian church, in charge. Interment will be made in Oak Park cemetery.

## McCormick Funeral

Funeral services for Harry Edward McCormick were held this morning from the home, R. D. 1, with the Rev. Fr. Leo Watterson in charge, after which solemn high requiem mass was held in St. Mary's church with the Rev. Fr. Galvin as celebrant; Fr. Watterson as deacon, and Fr. Sholz as sub-deacon.

Interment was in St. Mary's cemetery; pallbearers were Charles Hege, John McCormick, Harold Aiken, Edward Fee, George Klamar and Theodore Armstrong.

George Atkinson

George Atkinson, aged 74 years, of R. F. D. No. 1, Pulaski, passed away suddenly at 2:05 a. m. today at his home. He had been in his usual health until about 9 o'clock Tuesday evening when he suffered a stroke and never regained consciousness.

Mr. Atkinson was born in Lawrence county on May 22, 1860, the son of George and Ann Solomon Atkinson. He resided in Lawrence county all his life, in Pulaski township at his late home for the past 47 years, and had retired from the farming occupation.

He had many friends in New Castle where he had been associated for a number of years with the Atkinson Paint and Glass Company.

He is survived by his widow, Mrs. Martha E. Rush Atkinson, whom he married 54 years ago; two sons,

John R. and William H. Atkinson, of Emerson avenue; four grandchildren, Kenneth, Raymond and Evelyn Atkinson, and Mrs. Gill Brown, one great-grandson, Wilfred Brown, all of New Castle; and one sister, Mrs. Dorothy Stevens, of Youngstown, O.

Funeral services will be conducted from the residence in Pulaski township at 2:30 p. m. Friday, with Dr. C. B. Winger, pastor of the Central Presbyterian church, in charge. Interment will be made in Oak Park cemetery.

## Naval Commander To Be Summoned

Will Question Commander Weyerbacher About Offer To Aid Aircraft Company

(International News Service) WASHINGTON, Feb. 6.—Following disclosures made before the house military affairs committee, Secretary of the Navy Swanson today announced that Commander Ralph D. Weyerbacher would be summoned before a naval court of inquiry to explain the tender of his services as technical advisor to an aircraft company without first seeking permission from the navy department.

Commander Weyerbacher, now attached to the Bureau of Aeronautics, made the offer five years ago in a letter to a Philadelphia aircraft concern. The offer was not accepted.

cratic members of the committee. He lost, but was supported by Senator Glass (D) of Virginia, committee chairman.

Republican support of Adams' proposal undoubtedly would result in the committee discarding the president's whole \$4,000,000 work program, the Republicans however were undecided as they entered the session.

Some Proposed Restrictions

A clear majority of the committee was reported as favoring limitations on the president's sweeping spending powers. Some of the pending restrictions were:

1. To limit construction work exclusively to projects heretofore or hereafter approved by congress, proposed by Republicans.

2. To earmark \$260,000,000 for public highway construction, under terms of acts already passed by congress, proposed by Senator Hayden (D) of Arizona.

3. To impose "prevailing wage levels" on all projects financed by federal funds, proposed by Senator McCarran (D) of Nevada.

Committee Votes 10-10

Washington, Feb. 6.—President Roosevelt's \$4,880,000,000 work relief program hung in the balance today after the senate appropriations committee voted 10 to 10 to abandon it or a \$2,000,000,000 direct relief plan.

The "dole" proposal was made by Senator Adams (D) Colorado, supported by Senator Glass (D) Virginia, committee chairman. It was supported generally by Republicans on the committee.

When the vote was taken, it appeared the substitute had been adopted by a 10 to 9 vote, but Senator McAdoo (D) California, entered the room and voted for the President's measure. This created a tie and defeating the substitute.

## LINCOLN TEA PARTY FOR CHOIR MEMBERS

An evening of splendid entertainment was offered choir members of the Central Christian church, Tuesday evening, when a Lincoln tea was held in the church dining room, appropriately decorated in keeping with Valentine Day.

Frank Norris portrayed the part of Abraham Lincoln. The interesting program consisted of solos by Matt Richards, Thomas Phelps and Mrs. Harry Martin; Phelps and Richards by Thomas Phelps, Richard Richards, Dave Lewis and Frank Norris.

Harriet and Howard Walker sang a beautiful duet, followed by readings by Austin Combe, L. Downs, William L. Parker and William Parker, the latter also contributing harmonica music. Delores De Lorenzo played a piano solo. Dave Lewis was director during the evening with Edith Jones accompanist. Tea, and other light refreshments, were served, afterwards, from a beautifully appointed table in prevailing tones of the season, red and white.

### Visitors At Club.

Three visitors, Mrs. Howard Shelatree, Mrs. Lester Miller and Mrs. Mifflin Miller, added interest to the Tuesday Bridge club assembly yesterday afternoon in the home of Mrs. A. C. Miller on Highland avenue.

Mrs. Frank Taylor and Mrs. Mifflin Miller won the game awards, and concluding the afternoon, delicious candy was served. The next meeting will be with Mrs. Frank Taylor of Neshannock boulevard on February 19.

### Tifereth Sisterhood

Monday evening in the Tifereth Israel Synagogue, South Jefferson street, members of the Tifereth Israel Sisterhood will hold their regular monthly meeting, at 8:00 o'clock. Hostesses for the evening will be: Mrs. J. Moresky, Mrs. J. Wolf, Mrs. Lerner and Mrs. Solomon.

## JR. GUILD PARTY AT ST. ANDREWS CHURCH

In observance of St. Valentine's day the Junior Guild members of St. Andrews church entertained at a party Tuesday evening in their social rooms.

A large number participated, and a program of games was entered into, with novel prizes being awarded. Margaret Evans, Morfydd Owens and Rose Sturdevant. Plans for a card party on February 11 were made.

Upon being invited to the cozy dining room of the church, the guests were served a delicious lunch, the color scheme being effectively carried out in red and white tones. A miniature tree strung with tiny hearts formed the attractive centerpiece. Those in charge of the menu included Katherine Mayer, Katherine Smith, Dorothy Jones, Ethel Evans and Violet Hetrick. Miss Greta Nesbitt of Twin Rocks, Pa., a special visitor, was enrolled as a new member at this time.

## CHILDREN'S PARTY ON TENTH BIRTHDAY

Dr. and Mrs. G. E. Seal gave a party at their home, on East Washington street, Tuesday evening, as a birthday courtesy for their daughter, Billie Jeanne, who was ten years of age.

The guests arrived at 7 o'clock, participating in games of all kinds, until 9, when they were called to the dining room, where a beautifully appointed table was laid for 26 children. The centerpiece was a colorful bouquet of orange callulias and white narcissi with green streamers, suspended from the chandelier, ending at each place with a miniature horse made of gum drops, a delectable favor.

Before departing for their homes, the young folks left many lovely gifts with the honored guest as mementoes of a happy occasion.

### Recent Bride Honored

On a recent evening the Sunday school class of Miss Dorothy Depp held a miscellaneous shower for Mrs. Clifford Weatherby, the former Irma Weaver, at the home of Dr. Young, on East Washington street. Miss Depp acting as hostess.

Mrs. Weatherby received many lovely gifts and after enjoying a delightfully informal evening, a tasty luncheon was served.

Also honoring Mrs. Weatherby, a group of some 20 friends from Kaylor and East Brady, Armstrong county, motored to this city on the evening of February 2, and surprised her with another miscellaneous shower. The affair was held at the home of the bride's parents, Mr. and Mrs. P. F. Weaver, 224 Kurtz Place. After a delightful evening's entertainment of games, a fine luncheon was served. The group motored back, at a late hour, to their out-of-town homes.

### Jollikousins Club

Mrs. Harry Gribble of Croton avenue entertained the Jollikousins Club members in her home Tuesday evening, with cards forming the main diversion. Miss Mae Cromie and Mrs. Joseph DePuy were awarded prizes for holding honor scores.

A short social period ensued, followed by the serving of a tempting collation. The hostess was assisted by Mrs. DePuy and Mrs. Clem Gardner. Appointments in keeping with the season were used throughout.

The next gathering of the club will be in the form of an anniversary party, the date and place to be announced.

### Jewish Ladies Relief

Tuesday evening Mrs. D. Tobin, Laurel boulevard, received the members of the Jewish Ladies Relief society in her home for the monthly session, when reports were given of good accomplished and plans for the future were made.

### Casserole Dinner.

Going, surprise fashion, with well filled casseroles, to the home of Mrs. Catherine Freese on North Liberty street Tuesday, members of the Vempo club enjoyed a delicious hot dinner.

In the afternoon, usual diversions claimed attention with the gifts going to Mrs. Etta Wian and Mrs. Manley Broadus. Mrs. John Ridley invited the club to her home on Edison avenue in two weeks.

### M. L. C. Dinner-Bridge

Members of the M. L. C. Dinner-Bridge Club were guests on Tuesday evening of Mr. and Mrs. George W. Conway, 204 Englewood avenue. Following dinner the members spent the evening with three tables of bridge. The next monthly meeting will be at the home of Mr. and Mrs. R. F. Conway, North Mercer street, in March.

## BIRTHDAYS GIVE CAUSE FOR PARTY

Two members of the East Side Garden club reached another milestone in their paths of life the past week and used this as the means of getting the club members together for an evening of general good fun in the home of Mrs. Earl McKnight, Adams street, who was one of those having a birthday, with Mrs. J. Elder Bryan, the other, as co-hostesses.

Games of an amusing nature were played, prizes going to Mrs. Claude Mantz, Mrs. Fred Remley, Mrs. J. Albert Wilson and Mrs. W. R. McKnight.

A clever silhouette show, depicting in pantomime incidents in the lives of the members, created much merriment. Those taking part in this were Mrs. C. R. Brener, Mrs. Laura Wallace, Mrs. J. Elder Bryan and Mrs. Earl McKnight.

Special guests were Mrs. G. B. Campbell, Mrs. Fred Childs, Mrs. Scott McCaslin, Mrs. John Wimer, Jr., Mrs. Ira Alford and Mrs. R. M. Eagleson.

Miss Elma Badger and Mrs. Laura Wallace aided in serving refreshments.

## YOUNG FOLKS ENJOY SURPRISE PARTY

Bobby Bowers of Sumner avenue was pleasantly surprised on the evening of February 4, when a group of boy and girl friends called to help him celebrate his 13th birthday.

Games and dancing were enjoyed during the evening and at 9 o'clock the guests were seated around the dining room table and served a delicious lunch which they enjoyed by candlelight, accented by the lights from a large birthday cake.

An attractive color scheme of green and gold was carried out in appointments, with Valentine place cards and baskets of hearts marking each place. Many lovely presents were received by the young host to commemorate the occasion.

## JUDGE CHAMBERS TO ADDRESS COSMO CLUB

## CLASS PARTY HONORS MRS. S. EMMA BAER

The home of Mrs. S. Emma Baer on East Wallace avenue was the scene of a happy gathering Tuesday afternoon, when members of the S. E. B. class of the First M. E. church of which Mrs. Baer has been teacher for many years, gathered in honor of her birthday. About 25 were present.

Hours from 2 to 4 were pleasantly filled with informalities, preceding the serving of tea in the dining room. Mrs. Lucy Marquis poured and the social committee, of which Mrs. W. L. Beal is chairman, assisted. Decorations were lovely bouquets of fresh flowers, the gift of the class. Tall tapers, in crystal holders, flanked the floral arrangement for the table center, other appointments being suggestive of Valentine Day.

Among the guests was Mrs. J. Y. Shihely of Cambridge, Md., who is spending the winter in New Castle.

## LUNCHEON GUESTS AT HEATON HOME

Mrs. C. H. Heaton of Garfield avenue was hostess to the Tuesday Kensington, yesterday, when 17 guests were served a daintily appointed and appetizing luncheon at one o'clock. Valentine tones prevailed, red and white predominating. Mrs. Stanley Trese and Mrs. W. T. Sterling were aides to the hostess.

Afternoon hours were delightfully informal, Kensington work and conversation featuring. Mrs. George Jones asked the group to her home on Neshannock boulevard on February 19.

## Regular Meeting

Members of the El Fityet El Alaween Ladies Auxiliary held their regular meeting in the home of Mrs. Mary Hassan, of Pennsylvania avenue, recently.

The hours were whiled away making plans for a party honoring the first anniversary of the organization, featuring. Mrs. George Fityet club rooms, on February 10. A delightful social held last Friday evening, proved a huge success. Mrs. Josephine Hassan, was chairman. Shaker Slamen delivered an interesting address during the course of the event.

The next meeting will be held in the home of Mrs. Mary Hamed, Cunningham avenue, on February 17.

## Section D Party

## Marquis' Successor Will Be Only Second Secretary For Board

When a successor to Hugh M. Marquis, secretary and business manager of the New Castle school board is named, he will be the second such officer ever elected by the board here. Mr. Marquis is the first paid secretary and business manager ever selected by the local board and has served continuously since December, 1911.

Prior to that time a member of the board acted as secretary. The work was not as complex as it later developed, and the keeping of minutes was one of the major roles. In 1911 the general assembly changed the school act to provide for a paid secretary and Mr. Marquis was elected.

Previously he had been city clerk for four years so that he had a background of experience for the new job. He accepted the position of secretary and has been re-elected every four years since, without opposition. A few years ago the title of business manager was added and this work was included with that of the secretaryship.

When Mr. Marquis was first elected, Thomas A. Kimes was superintendent of schools of New Castle. Later, George A. Dickson was elected, followed by Dr. Ben G. Graham and he in turn was followed by the present incumbent, Dr. C. C. Green.

The personnel of the board has changed many times since Mr. Marquis was first elected. In his early days the school directors were chosen by wards, each ward being entitled to representation. This was changed and the entire board of nine was and is elected from the city at large.

Since he first took office as secretary, Mr. Marquis has seen many changes. The school code has been adopted, the minimum salary law for teachers adopted, the platoon system has been made a part of the

used as a centerpiece. Following the dinner the afternoon was spent in a social manner. The honor guest received many nice gifts in memory of the occasion. Out-of-town guests were Mr. and Mrs. Harold Hartzell, of New Castle; Mr. and Mrs. W. U. Derringer, of Enon.

## "Ripper Bill" Is Introduced

Bill Presented "Ripping" Out Public Service Commission In Present State

(International News Service)

HARRISBURG, Feb. 6.—Another bill to "rip" out the public service commission was introduced in the house Tuesday by Rep. Hiram G. Andrews, independent Democrat, of Cambria. His measure would provide for a commission of three elected and four appointed members.

The bill provides for the governor to replace the present commission by naming seven new members, the first four to serve terms of four, six, eight and 10 years and the last three to face an election in 1936 for new terms beginning in 1937.

Under terms of the measure, the state would be divided into three districts, each to be represented by an elected member. The first member to be elected in the eastern district would serve for six years, the first in the middle district for eight years and the first in the western district for ten years. Successors of all appointive members would serve for 10 years.

## AROUND CITY HALL

Police chronology for 24 hours ending at 3:30 p. m. February 5, four arrests on charges as follows: Drunkenness and Disorderly conduct two and Drunkenness two.

When Mayor Mayne conducted police court yesterday a rural resident faced His Honor, on a charge of drunkenness. It appears the man does not come often to this city and judging from his appearance yesterday he may not come again for some time. He loaded himself with intoxicating liquor and when he answered to the charge he wore a black and swollen eye and several scratches. The mayor believed he had been punished sufficiently for having partaken of intoxicants and sent him homeward without imposing a fine.

Whenever it snows heavy here the snowfall is a tax on the people, as the trucks and employees of the street department are put to work removing the snow.

Within the next few days residents of several thoroughfares will begin circulating petitions which probably will soon be presented to council. The petitions when signed will request that certain streets be paved with amiesite. The petitions now being prepared are for the paving of a majority want it in Albert street between Norwood avenue and Englewood avenue; Reynolds street between Scioto street and Williams street; Charles street between Moravia and Morris street.

## County Doctors To Meet Here Thursday

"Infectious Diseases" Is Theme For Evening Talk; Visitors Coming

"The Infectious Diseases" will be the subject that Dr. C. H. Whalen will discuss before the Lawrence County Medical Society when it meets at The Castleton on Thursday evening, February 7, at 8:30 o'clock.

Dr. C. L. Palmer, of Pittsburgh, chairman of the committee on public health legislation of the state society, will come to talk legislative problems. He will be accompanied by Dr. G. R. Harris, also of Pittsburgh.

Members of the women's auxiliary of the society and members of the public health legislative conference of Lawrence county will attend as guests.

## 'CLUB NIGHT' TO BE STAGED AT Y. M. C. A.

The bill repeals the Act of 1932 creating the state emer-

gency relief board consisting of the governor, lieutenant governor, speaker of the house, treasurer and auditor general. With the repeal of this act would fall the entire system of distributing relief now operating in Pennsylvania.

Local governments, the bill provides, would have full authority to spend the money allocated to them for food, clothing, fuel, shelter and work for jobless residents within their boundaries. The state emergency relief board is now expending about \$20,000,000 a month for relief, most of it federal funds.

It may be up for final passage next Tuesday, at which time it is expected the measure will develop considerable debate.

The state emergency relief board is now expending about \$20,000,000 a month for relief, most of it federal funds.

It may be up for final passage next Tuesday, at which time it is expected the measure will develop considerable debate.

The bill repeals the Act of 1932 creating the state emer-

gency relief board consisting of the governor, lieutenant governor, speaker of the house, treasurer and auditor general. With the repeal of this act would fall the entire system of distributing relief now operating in Pennsylvania.

Local governments, the bill provides, would have full authority to spend the money allocated to them for food, clothing, fuel, shelter and work for jobless residents within their boundaries. The state emergency relief board is now expending about \$20,000,000 a month for relief, most of it federal funds.

# Woman Angle In Chicago Mystery Slaying Probed

Learn Slain Society Man Kept Rendezvous With Number Of Women

(International News Service) CHICAGO, Feb. 6.—In support of the belief that a woman killed Louis Straub in the basement of the Saddle and Cycle club, exclusive society rendezvous, police learned today that the night attendant held numerous trysts with women in the deserted clubrooms.

Often the women visitors would come alone, but at other times two or three would enter the darkened club to visit Straub, it was related by Gus Schwartz, caretaker. Although questioned for three days, Schwartz told of the meeting for the first time.

While attorneys sought her release on a habeas corpus writ today Mrs. Melba Straub, the 34-year-old widow, underwent further questioning with investigators turning to a study of her friendship with other women in their search for a solution to the puzzling murder.

# Helen Clay Frick To Resume Story In Slander Suit

Heiress To Steel Millions Is Being Sued For \$250,000 By Former Employee

(International News Service) WHITE PLAINS, N. Y., Feb. 6.—Helen Clay Frick, heir to the Frick steel millions, was to resume the witness stand today for further cross-examination in the \$250,000 slander suit brought against her by James Howard Bridge, a former employee of the Frick family.

Bridge alleges that a letter she wrote denying that she was an art expert caused the cancellation of a lecture contract.

Bridge's attorney scored one admission at the start of the cross-examination of Miss Frick. She admitted the genuineness of a letter by her brother, Childs Frick, written in 1924 which referred to Bridge as curator of the museum. It is the contention of the defense that Bridge was not employed as curator of the museum or as an art expert.

# Thirty-Two On Board Train Are Slightly Injured

New York To Florida Train Is Rammed By Freight Train In Maryland

(International News Service) HAVRE DE GRACE, Md., Feb. 6.—None of the 32 persons injured in the Pennsylvania freight-passenger crash near here were in a serious condition today. Seventeen were passengers and the remainder were employees, negro porters and waiters.

The passenger train, enroute from Cleveland to New York, stopped because of engine trouble and the freight train skidded in trying to stop and crashed into the rear of the passenger train. The rear Pullman car and the freight engine were derailed.

# Community Joins To Hear Dr. Henderson

First U. P. Services Draw Evening Crowds; Continue To Friday

"Do Folks Have Much Gumption?" will be the topic that Dr. Homer B. Henderson, pastor of the United Presbyterian church of Grove City, will discuss before a community audience at the First U. P. church, Glenmore boulevard, tonight at 7:45 o'clock.

Last night's audience enjoyed his message on "Are Folks Good Judges of Real Values?" Until Friday evening he will preach nightly.

The congregation is being joined by the North Hill community and on Thursday night the subject will be "Is It Too Late For Folks to Get In?" The closing subject on Friday will be "When a Man Sees Christ, What Happens?"

A double male quartet led by Fred C. Scheppelle will sing tonight. David Reese sang two vocal solos last night.

# Loyalty Conference In Second Church

Speakers Inspire Church Workers To Greater Zeal In Congregational Work

Representatives from all the United Presbyterian churches of the northern part of the Beaver Valley Presbytery, assembled in the Second United Presbyterian church Tuesday evening for a Loyalty dinner and conference. A delicious menu was served by the members of the Burns Bible class.

When dinner was over conferences were held to plan the loyalty days of the various churches, which will be held during March.

Inspirational addresses were made by Dr. J. M. Blackwood, Cleveland, Ohio, Dr. A. L. Smith, Buffalo, N. Y., Dr. W. W. Orr of Beaver Falls and Dr. Harry Rose of New Wilmington, each urging the congregations to a deeper loyalty to the church work.

# ALLEGED ROBBER DIES IN HOSPITAL OF HEART ATTACK

(International News Service) PITTSBURGH, Feb. 6.—Jack Nucci, 51, Rural Ridge, lay dead today while his two nephews and a Sharpsburg man were facing charges of robbery and assault growing out of a holdup in Indiana township last Thursday. The four men had been held on district attorney's detainers pending investigation of the robbery. Following questioning yesterday, Nucci said that he was ill and was removed to a hospital, where he died last night of a heart attack.

Those facing charges were Alex and Frank Nucci, the dead man's nephews, and Henry Lambert, 22, of Sharpsburg.

# Slays Husband; Tries Suicide

AKRON, O., Feb. 6.—A 62-year-old Cuyahoga Falls woman is in critical condition in St. Thomas hospital with a bullet wound below the heart, which police of the suburb said was self-inflicted after she shot to death her husband of twenty years, Earl Gibson, 51, in their home.

Mrs. Alice Gibson fired three bullets into her husband's body as he was putting on his shoes in their living room at 1556 2nd street yesterday afternoon. Patrolman Howard E. Moody reported, then shot herself after summoning a son and daughter by an earlier marriage.

# COUNTY GROCERS IN SESSION HERE

Food Show Plans Given; President O'Neil Presides Over Meeting

Plans for New Castle's 1935 food show in the Cathedral from April 23 to 27, are forming rapidly, the Retail Grocers Association of Lawrence County was told last night at its January meeting in its rooms at 238 Neshannock avenue.

Advance reports on the show, planned as the largest ever sponsored by the association, were given by Frank W. Hill, executive secretary.

President John J. O'Neil presided as the grocers of the county received committee reports on various phases of the industry.

"Credits" was the topic of the talk that R. R. Peden, chairman of the credits and collections committee, gave, while S. E. West reported that progress was being made in the preparation of a new constitution and by-laws. He is chairman of the new constitution committee. Executive Secretary Hill reported that the

legislative committee is keeping close contact with new legislation at Harrisburg.

The association heard Alderman Richard R. Lewis explain his plan for re-opening the New Castle Works of the Carnegie Steel Company and then referred it to its trades relations and agreements committee for consideration.

Ellwood City was chosen as the place for the February 18 meeting of the association.

# Pittsburgh Girl Is Wounded By Bullet

(International News Service) PITTSBURGH, Feb. 6.—Bang! Like an exploding coal, something struck four-year-old Jean Lilac in the thigh as she warmed herself before the coal grate in her home. But it wasn't a hot coal. It was the slug from a .25 calibre bullet which Jean had innocently tossed into the fire. A short while later, Jean returned from sled-riding to get warm, and then the unexpected happened.

Today she was a brave bundle of spunk at Allegheny General hospital, where the bullet was removed.

ANOTHER YEAR... another sensation! Once again Chrysler is the talk of the industry with the new Airstream and Airflow Chrysler for 1935.

It's perfectly clear that Chrysler weight distribution, as pioneered on the Airflow, has set all cars scurrying to approximate the comfort it gives.

It's perfectly clear that Airflow pioneering for real roominess and comfort has set everybody striving to build roomier cars.

Meanwhile, Chrysler has gone even

further ahead. With new flair and beauty for Airflow's scientific design. With the brilliant new Chrysler Airstream, inspired by a year's lead and a year's experience with Airflow.

With the most effortless cruising speed you ever tried. With greater safety based on mutually reinforcing bodies and frames. With new synchro-silent transmissions... further refined Floating Power... literally dozens of fine new things awaiting your trial.

It costs surprisingly little now to say "I drive a Chrysler." Come in and see for yourself.

## A. F. Of L. Receives Sharp Letter From President

(International News Service)  
WASHINGTON, Feb. 6.—President Roosevelt today stood in flat-footed defiance of the American Federation of Labor over its demand for abolition of the automobile labor board.

In a sharply worded letter to Charlton Ogburn, counsel of the A. F. of L. and federal labor unions, the president challenged labor's demand that the board's existence be terminated with withdrawal of the automobile labor unions' representative.

President Roosevelt declared instead, it was for him to say when the board's usefulness had ceased. He conceded that it would expire June 16, when the recovery act expires.

## STOP USING DRUGS FOR CONSTIPATION. EAT HONEY KRUSHED WHEAT BREAD

Doctors Warn Against the Use of Irritating Drugs. New Honey Krushed Wheat Bread Relieves Bowel Troubles in Nature's Own Way!

Your family doctor will tell you that the use of drugs, purges and strong cathartics often does serious harm instead of correcting constipation and bowel disorders. Most of them irritate the delicate membrane lining of the stomach and intestines and compel you to take more and more.

The new Honey Krushed Wheat Bread baked by Orr Baking Co., relieves constipation in a natural way by supplying the diet with just the required amount of roughage to prevent clogged intestines. It also contains a liberal supply of pure honey and other ingredients which have a stimulating, gentle action upon the intestines.

Hundreds of local people are ending their bowel worries by eating the delicious new Honey Krushed Wheat Bread. Its delightful taste

and delightful action is amazing. It is especially recommended for children as Honey Krushed Wheat Bread will not "clog up" in the large intestine as is sometimes the case with bran.

If you have tried eating whole wheat breads but do not care for their flat, woody taste, a new taste thrill awaits you when you eat Honey Krushed Wheat Bread. It is totally different from any bread you have eaten heretofore. Yet it safely relieves constipation through the use of the whole wheat in crushed form, pure honey and other ingredients.

**Make This Ten-Day Test**  
Instead of taking laxatives two or three times a week, all you need do is start eating Honey Krushed Wheat Bread at every meal for the

next ten days. After the third or fourth day you will begin to feel more peppy, your bowels will begin to move regularly and the dangerous poisons which have accumulated in your system will be gone. Before you know it your complexion will clear up and you will feel like a new person. Then keep eating this simple new way by eating Honey Krushed Wheat Bread at every meal.

Ask your grocer today for the new Honey Krushed Wheat Bread. It is all ready sliced, wrapped in a new moisture proof cellophane wrapper and has a liberal extra coating of crushed wheat upon the outer crust. Be sure to ask for Orr's Honey Krushed. Do not accept a substitute.

## House In Middle Of Road Will Be Removed By State

Will Remove Dangerous Condition Existing On Highway Route 404

(International News Service)  
HARRISBURG, Feb. 6.—Spurred by the deaths of two men last week, the State Highway department moved today to evict the family living in the "house in the middle of the road" on route 404 near Lewisburg so the dwelling can be razed.

Acting on the grounds that the house constitutes a serious traffic hazard, Secretary of Highways Warren Van Dyke dispatched State police to inform J. J. Kelsner, the tenant, that he must move by February 15.

Two CCC workers were killed when their car failed to make a detour and crashed into the house which sits directly in the middle of the road.

Route 404 was paved in 1932 at which time condemnation proceedings were started to remove the house, which stood directly in the path of the relocated highway. Agreement on land damages was not reached before the new road was finished, and a detour has been in effect since. Van Dyke said that if Union county commissioners do not remove the house the Highway department will do so and charge the county for the work.

## Plan To Shoot Eight Dogs For Mutilating Body

(International News Service)  
PITTSBURGH, Feb. 6.—Eight dogs which during her lifetime Mrs. Layra Leglar had befriended were to be shot today for apparently mutilating the body of their 55-year-old mistress after she had died in her dilapidated shanty home from natural causes.

Police said Mrs. Leglar's only companions during the months she lived alone, dependent upon relief, were stray and hungry dogs she took in as pets.

## Tighe Sticks To Statement Banning 'Outlaw' Members

(International News Service)  
PITTSBURGH, Feb. 6.—Firm in his refusal to reconsider his expulsion of "rank and file" members who attended Sunday's "outlawed" meeting, President Michael F. Tighe of the Amalgamated Association of Iron, Steel and Tin Workers, today blasted all hope of appeal to the union's international executive board.

"We're through with them," Tighe declared. "They're expelled and that's all there is to it. The board will not entertain any appeal."

Tighe said he had acted only after having repeatedly warned the "rebels." Appeal to the executive board was planned by a committee headed by William J. Spang, Duquesne, as a move to resist expulsion action.

## Moody Avenue Girl Hit By Automobile

Miss Sally Byers Knocked Down At Moody And Highland Avenue This A. M.

Miss Sally Byers, 21, of 515 East Moody avenue, was struck and knocked down by an auto driven by Abraham Vago, of 618 East Luton street, about 8:30 a. m. today at the intersection of Highland and Moody avenues. She was unhurt according to her own statement, made to police, by the driver.

According to the operator of the automobile, Miss Byers was walking from the east to west side of Highland avenue. The street car had stopped. She walked in front of the street car, according to Vago, who said his auto struck and knocked her down.

He got out of the car and assisted her on her feet. She said she was not injured. He then took Miss Byers to her place of employment.

## BUS OPERATORS TO BE HONORED

Safety Records To Be Rewarded At Dinner Thursday Evening

Forty-nine interurban bus operators of Penn-Ohio Coach Lines company will be guests of honor at the annual safety dinner of the company Thursday night at Parkman, O.

These men operated their busses throughout either the first half or the second half of 1934 without an accident being charged against their records. They comprise 94 per cent of the whole number of drivers in the service, operating their busses out of Akron, Youngstown, Cleveland, Canton, East Liverpool, New Castle, Pa., and Pittsburgh through out northeastern Ohio and western Pennsylvania over main highways in all sorts of weather.

In addition to this record for safety for periods of six months 31 of the 46 operators in the service through 1934, or 67 per cent, had no chargeable accident during the year.

The operators who made the six-month accident-free records are: J. S. Baker, J. E. Billings, Arthur Booth, J. T. Bowling, W. D. Boyle, H. E. Boyles, K. B. Burton, D. K. Butler, H. A. Capron, D. S. ## DEFENSE PUSHES INSIDE JOB CLAIM DURING MORNING

(Continued from Page One)

interrogated Sjostrum closely. The police official admitted New Jersey authorities waited until March 21, 1932—twenty-one days—to take photographs of the ladder fingerprints. Fisher sought to show the photographs were not taken until after Dr. E. M. Hudson, of New York, who makes a specialty of fingerprints, came into the case.

Q—(Fisher) Now, you tried to run down the identity of the persons whose fingerprints were found on the ladder, didn't you?

A—Yes.

Q—Identify Eight.

A—How many of the more than 100 prints did you identify?

A—About eight.

Q—Did you ever find the fingerprints of Bruno Richard Hauptmann, this defendant, or the ladder?

A—No sir.

Q—"That's all," said Fisher.

On cross-examination, Attorney General David T. Wilentz asked Sjostrum:

Q—"If the man who built this ladder wore gloves, his fingerprints would not be there, would they?"

"No," said Sjostrum.

Q—"And isn't it the practice of criminals to wear gloves in the commission of a crime?"

A—Yes.

On re-direct examination, Fisher asked Sjostrum if it was a fact that wood is more retentive of fingerprints than practically any other substance. The officer didn't know.

Q—"Don't you, as a matter of fact, know that if you touch a piece of wood firmly, your print will be so deeply ingrained that the wood can be sandpapered and your print still will be found there with the silver nitrate or acid process?"

A—No. I do not know that.

Fisher pounded away at failure of the police to take pictures of entire pieces of the ladder, for the purpose of showing just where, on the ladder, the fingerprints were located.

"We have marked the photographs to show on what sections of the ladder the various pictures were taken," said the officer.

Fisher asked:

Q—"Didn't you tell Dr. Hudson that more than 1,200 pictures were taken of the ladder?"

"I did not," said Sjostrum indignantly.

Another Trooper Called

Sjostrum was excused and Trooper Louis Kubler was called to the stand.

Kubler said he was at the Lindbergh home from March 10-14, 1932, and assisted Trooper Kelly in the processing of the ladder for fingerprints.

He said they found no prints whatever, but that Dr. E. M. Hudson came to the estate on March 13 and began processing the ladder with the newly developed silver nitrate process. This work was started in the basement of the Lindbergh home. It brought out "about 120" fingerprints, Kubler said.

Q—"Isn't it a fact that a member of the state police wrote Dr. Hudson that more than 500 prints had been brought out by the process?"

A—"I don't know."

Q—"What color does the silver nitrate leave wood after it is used in processing for fingerprints?"

A—Black.

Fisher, further questioning Kubler, intimated the ladder was washed with bichloride of mercury to eliminate the fingerprints.

Q—"Pointing at the ladder" Well how did that ladder get back to its normal color?"

A—"I don't know."

Q—"Isn't it a fact that bichloride of mercury eliminates fingerprints?"

A—Yes.

Q—"Well, who washed that ladder with bichloride of mercury?"

A—"I don't know. I don't know that anybody did."

The witness admitted he had taken photographs of the fingerprints on the ladder but had not identified them as to the parts of the ladder from which they were taken.

Q—"Do you know whether Dr. Hudson was permitted to process the ransom notes for fingerprints?"

A—"I don't know, I never saw the identification bureau?"

A—Yes.

Fisher asked Kubler if he had used Dr. Hudson's process since March, 1932, and the witness said "Yes."

"And found fingerprints on wood?" continued Fisher.

"No."

"Not a Fact."

"Let me refresh your memory," said Fisher. "Didn't you use the silver nitrate process on a murder case to bring out fingerprints on the handle of a pick axe?"

"That's not a fact!" boomed Kubler.

The witness said an individual may leave a print at one time but at another fail to leave a print.

Kubler was cross-examined by Attorney General Wilentz.

Q—"If there were no fingerprints near the nail hole you wouldn't photograph that part of the ladder, would you?"

A—No.

Kubler was excused.

Trooper Frank A. Kelly, who was in charge of the fingerprint work after the crime on March 1, 1932, was recalled to the stand.

Fisher asked him if he had processed all the sill and the glass of the window of the Lindbergh baby's nursery. He had. The suitcase which was on the floor under the window and all parts of the room?

Yes.

Fisher showed a picture of the nursery window to Kelly and asked: "Now, the day you went there to examine that window, was there an object on that window sill not shown in this picture?"

A—Yes sir.

Q—"What was it?"

A—A beer stein.

Stein On Window.

Q—"So that a beer stein stood in that window when the kidnaper supposedly crawled in and out of the window the night of the kidnapping and it was undisturbed? Is that correct?"

A—"I don't know about that."

Q—"What else was on the window sill?"

A—A ransom note.

Q—"Was the ransom note attached to anything?"

A—No.

Q—"What kind of a night was it the night of the kidnapping?"

## Why You Should Never Cut a Corn

If you are troubled with corns or callouses, do not run the risk of blood poison by paring them. Statistics show that many infections have occurred from this seemingly innocent practice of paring corns.

Simply go to your druggist and get a few cents worth of **Ice-Mint**, rub a little on any painful corn or callous. Immediately the pain will disappear and in a short time the corn or callous will loosen and lift off easily with the fingers—root and all—leaving the surrounding skin in a healthy normal condition.

This, together with the fact that **Ice-Mint** overcomes such afflictions as sore, tired, aching, puffed or burning feet and makes them cool, easy and comfortable, is probably responsible for the hearty endorsement given it by druggists.

To rid one's feet of every hard corn, soft corn, corn between the toes or painful callouses in such a pleasant and safe way, makes it seem the height of folly for anyone to pare a corn and people are warned to stop it.

**Fisch Left Package**  
Courtroom, Fleming, N. J., Feb. 6.—James Streppone, radio repair man, took the stand today at the Bruno Richard Hauptmann murder trial and testified that on May 10, 1933, Isidor Fisch came into the store in which he was working in the Bronx and wanted a radio tested "because he didn't like it."

Streppone said Fisch came in on another occasion and left a large package which looked "like a shoe box." He said Fisch called for it six hours later.

Edward J. Reilly, chief counsel for the defense, questioned him.

"What was your business in May 10, 1933?" asked Reilly.

"I was a radio repair man," said the witness.

"Now," said Reilly, showing the witness a photograph, "Do you recognize the man in this?"

"Yes," the witness said in a barking voice.

"That's Isidor Fisch?"

"Yes."

Reilly asked whether Fisch ever came to his shop at 334 East 117th street. Streppone said yes, on May 10, 1933.

"He came in to have a radio tested because he didn't like it," said the witness.

Q—(Holding up piece of paper)—Is this a record of the transaction?

A—Yes.

The paper was introduced in evidence. Reilly showed it to the jury. The slip recorded more than \$4 worth of repair work.

Q—How long did Fisch leave the radio in your shop?

A—About five days.

Q—And when Fisch came back did he have a package with him?

A—Yes, a shoe box.

Attorney General David T. Wilentz objected to the answer and it was stricken from the record.

Under Reilly's guidance, however, the witness described a package the size of a shoe-box.

Q—Did Fisch leave the shoe-box in your place?

A—Yes, he left the box in my place from two until eight that day. I didn't look into it.

Witness Had Been Inane

Attorney General David T. Wilentz asked only one question on cross-examination but it created a sensation. He asked, in quiet tones: "Have you ever been addicted to insanity?"

The audience gasped when the witness barked back:

"Yes sir. Depressive psychosis."

"That's all," said Wilentz.

When Reilly or re-direct asked the witness if he was sane now, he said, emphatically:

"Yes sir! I'm all right."

Wilentz then on re-cross-examination asked the swarthy witness: "How many times were you committed?"

"Oh, about eight times, I guess," casually replied Streppone.

## JUDGE "CRACKS DOWN" ON DRUNKEN DRIVERS

MEADVILLE, Pa., Feb. 6.—Five men pleaded guilty to driving while intoxicated before Judge Kent, in coming upon their pleas, the judge informed the men that they could prepare themselves to take a holiday. At the November court term, Judge Kent issued a warning that no drunken driver, either upon conviction or plea would be given less than 30 days in the county jail.

The South Sea bubble was a vast stock enterprise started in England about 1711 for the purpose of trading with Spanish South America. As more and more people bought the stock it rose to great heights, until in 1720 the bubble burst, causing a great financial depression.

Attorney General David T. Wilentz asked only one question on cross-examination but it created a sensation. He asked, in quiet tones: "Have you ever been addicted to insanity?"

The audience gasped when the witness barked back:

"Yes sir. Depressive psychosis."

"That's all," said Wilentz.

When Reilly or re-direct asked the witness if he was sane now, he said, emphatically:

"Yes sir! I'm all right."

Wilentz then on re-cross-examination asked the swarthy witness: "How many times were you committed?"

"Oh, about eight times, I guess," casually replied Streppone.

## WOLVES HEAR BART RICHARDS

Wolves Club Holds Regular Meeting Tuesday In The Castleton

In a most interesting manner, Bart Richards of The News editorial staff, and a former member of the Assembly, delivered an instructive address on "Legislation" before the Wolves Club on Tuesday evening in The Castleton.

At the request of President Angelo J. Casaccia, Anthony Marino introduced the principal speaker. Mr. Richards spoke on the four constitutions which have existed in Pennsylvania "since industries have made the state of Pennsylvania, the last constitution, drawn up in 1874, was directed toward industries," the speaker stated. Mr. Richards presented many interesting facts regarding the functions of the Assembly, and brought out the importance of legislation to everyone. His address was thoroughly enjoyed.

During the course of the evening President Casaccia named the following committees to serve for the remainder of the year: entertainment committee, Carm Sacco, chairman; Frank Summers, Dr. John P. Prioletti; public affairs committee, Anthony Marino, chairman; Dr. John Palazzo, Peter P. Capitola; propaganda committee, James Colucci, Hillsville, chairman, John Verlotta, Hillsville, David Valensi, Charles DeCarbo, Frank Casmiri. Those who were present at last night's meeting: Angelo J. Casaccia, David Valensi, Joseph Boronaro, Dr. John P. Prioletti, Carm Sacco, Dominick Guido, Anthony Sacco, Peter P. Capitola, E. H. Scarazzo, Frank Summers, Anthony Marino, Sam Ross, Bart Richards and Charles Landolf.

The Wolves meet again on Tuesday evening, Feb. 19, in The Castleton.

# County Celebration Of Scouts' Birthday Nears; City, Ellwood To Join

Plans for Lawrence county's two separate celebrations of the 25th anniversary of the founding of the Boy Scouts of America—one in New Castle, the other in Ellwood City—progressed today under the able direction of the Rev. D. L. Ferguson, New Castle chairman, and Charles Carbeau, Ellwood chairman.

Rev. Ferguson is pastor of Highland U. P. church, while Mr. Carbeau heads the Ellwood Company, industrial firm there.

## Celebration Opens Friday

The New Castle district plans to hold simultaneous troop meetings on Friday evening, Feb. 8, each troop putting on a special program, but practically all of them having arranged for radio facilities to hear the address of President Roosevelt to the Boy Scouts of America at 8:45 o'clock that evening, on a nationwide hookup. Some troops will unite with others so that they may fellowship with those Scouts; troop 12 of the Second U. P. church (a team from this troop invested Shenango 1) meeting with the Shenango township troop at the Shenango school. Other troops have planned very interesting programs in their own meeting places. (It is hoped to publish a list of these troops and their programs on Thursday.)

Saturday will be observed by the New Castle district as "Pioneer's Day" with troops making hikes and cooking their own meals, with outdoor programs setting forth the love of the outdoors, the hardihood and resourcefulness that characterized two great Americans whose birth-

days are observed this month: Abraham Lincoln and George Washington.

The Ellwood Scout leaders will hold a dance at the Shelby Club on this evening and have extended a cordial invitation to all county leaders to attend.

Sunday is known as "Scout Sunday" throughout the nation, and thousands of churches will hold special services which will be attended by hundreds of thousands of Scouts and Scouters. In Ellwood City a union service of churches will be held in the Lincoln auditorium that evening, with a big volunteer choir as a feature. In New Castle the city troops will gather at Trinity Episcopal church, North Mill street, with Rev. Philip C. Pearson, himself a scout, giving a special program for the evening services at 7:30 o'clock. Scouts and scouters are asked to come in uniform and bring troop colors. Friends and relatives of Scouts are also invited.

On Monday evening, the 11th, New Castle Scout leaders and their ladies will gather at the Croton M. E. church for a get-together evening under the leadership of John Wilson, president of the Scout Leaders' Club. Wilson is planning a worthwhile program and Scouters and their ladies will be sure to enjoy it.

Monday is known as "Scouting in the School" day, and a number of the elementary schools will have programs at assembly, with speakers who are high rank Scouts. The high schools are planning assembly programs in most cases.

## Service Clubs to Aid

During this week the service clubs will also observe anniversary

week. Rotary, Kiwanis and Lions will all have special programs, with speakers to be announced by their secretaries, these men being well known Scouters. Troops sponsored by these clubs will be the guests of the clubs in several instances.

An indoor meet and an alumni banquet will feature the Ellwood district celebration during the week, while the New Castle boys and some of the county troops are planning ahead for the merit badge show, to be held in the First Christian church on February 22, Washington's birthday. Ellwood troops are planning for window exhibits of Scout crafts during the coming week (February 11-16.)

Anniversary week posters are being used in both Ellwood City and New Castle, most of the New Castle posters being used in the elementary and high schools of the city. Altogether it looks like a real observance of the 25th anniversary, with special events of various kinds, lasting up to the great national jamboree at Washington on August 21-30. A special bulletin regarding this is being prepared for release to council leaders this week.

# Only One Takes Operator's Test

## Rush For Driver's Licenses Will Begin After February 15, Patrolman States

Only one person took the test to drive an auto in Pennsylvania when the State Highway patrol conducted an examination yesterday in Sampson street. He failed.

The cause for only one applicant was due to weather conditions and the proximity of March 1, when all drivers must have new driving licenses.

It was said by the patrolmen that a rush for operator's tests would probably occur on and after February 15.

If persons are examined on February 15 or after any place they will receive a 1935 operator's card.

The next examination day here is February 12. It is not anticipated that many will take the test next Tuesday.

# Oil Treatment Shows Results

## Former Habitual Frequenters In Police Court Missing Nowadays

Most of the habitual frequenters of police court have been either cured of drinking intoxicants or have left town it would seem from a study of the records at the police station.

For a long time Mayor Mayne dozed out castor oil to persons who made a practice of indulging too much then landing in police court. When one gallon of castor oil had been consumed the mayor would purchase another and there was always a dose ready for the habitual visitor on the charge of intoxication. Apparently the treatment has assisted the mayor in his desire to rid police court of the habituals.

# Many Highway Bills Presented

## One Measure Would Take Over Part Of Street In New Wilmington

While every conceivable subject of legislation is represented in the flood of bills in the legislative hopper in Harrisburg, the highways and the laws concerning gasoline and motor fees have been given more than their share of attention.

One of the first bills presented in the Senate, No. 6 was that of Senator A. S. Batchelor which would have the state take over a piece of North High Street in New Wilmington to intersect with Route 80. This section is but thirty hundredths of a mile long and should be on the state system.

## Other Bills

There are a number of similar bills in the hopper for various parts of the state, but no attempt as yet to introduce an omnibus bill which would cover all counties. House Bill 16, by Zappala would give a free operator's license to car owners and reduce the driver's license from \$2 to \$1.

Representative Rinn has a bill in the House, No. 27 which puts more teeth in the law concerning drunken driving. House Bill 28 would prohibit the operation of commercial motor vehicles on the highways on Sundays or legal holidays between the hours of 9 a. m. and 9 p. m.

House Bill 37, by Zimmerman would divert \$18,963,500 from the highway funds to cities of the first, second, second A, and third class cities. House Bill 40 would divert money from the highway funds to the township supervisors instead of having the state highway department expend it. House Bill 41, by Rinn would provide for a constitutional amendment appropriating \$100,000,000 for the elimination of grade crossings.

## Under 21

House Bill 81 by Tahl would prohibit any person under 21 from owning title to an automobile. House Bill 110 by Baldi would reduce license fees to \$3. House Bill 141 by Sowers would reduce the learners' permit from \$3 to \$1.50 and the drivers' license fees from \$2 to \$1. House Bill 186 by Habbshaw would divert \$19,250,000 from the highway funds to cities, townships and boros. Senate Bill 102 by Batchelor would authorize the department of highways to pay from motor license fund for damages of buildings by fire due to carelessness of highway employees.

The hopper is full of experimental bills this year, bills that if passed would eventually wreck the highway department and reduce it to the place where it could not operate efficiently as a statewide unit.

# Banker Tells Lions Of "Triple Reserves"

## Service Club Addressed By Joel S. McKee; Dinners Planned

"You may have your safe deposit box filled, gentlemen, but if you have no faith, no love for family, no friends and no funds you haven't anything," declared Joel S. McKee, vice president and cashier of the First National Bank of Lawrence County, as he gave a luncheon talk before the Lions club Tuesday.

"Triple Reserves" was the topic of Mr. McKee's address. He classified them as physical reserves, intangible or moral reserves and financial reserves.

He called the financial reserve important but the "least important" of the three.

"We should exercise the attitude of humility," the bank officer told the clubmen, and he urged them to build up "some sort of financial reserve."

He called the enemies of thrift laziness, bad habits, extravagance, envy and procrastination.

The Lions will honor their own Boy Scout troop, V-5, at a dinner in the Elks club on Tuesday evening, February 12. No luncheon will be held. The club will join with the Ladies of the Lions in a St. Valentine's Day dinner-dance at New Wilmington on Thursday evening, February 14.

Guests today included W. A. Conner and Rufus Moses, divisional managers, respectively, of the Pennsylvania Power company at Greenville and Sharon. Mr. Conner for some time was chief assistant to former State Relief Director Eric H. Biddle.

# How to Make Better Cough Remedy Than You Can Buy

## A Big Saving, and It's So Easy! No Cooking!

Cough medicines usually contain a large quantity of plain syrup—a good ingredient, but one which you can easily make at home. Take 2 cups of granulated sugar and 1 cup of water, and stir a few moments until dissolved. No cooking! No trouble at all.

Then get from your druggist 2 1/2 ounces of Pinex, pour it into a pint bottle, and add your syrup. This gives you a full pint of truly wonderful cough remedy, far better than anything you

could buy ready-made, and you get four times as much for your money. It lasts a long time, never spoils, and children love its taste.

This is positively the most effective, quick-acting cough remedy that money could buy. Instantly, you feel it penetrating the air passages. It loosens the germ-laden phlegm, soothes and heals the inflamed membranes, and makes breathing easy. You've never seen its equal for prompt, lasting results.

Pinex is a highly concentrated compound of Norway Pine, the most reliable healing agent for severe coughs. It is guaranteed to please you, or money refunded.

# SURPRISE WITNESSES QUICKLY INVESTIGATED

## Speedy Work Is Done By Officers

Prosecution At Flemington Does Vast Amount Of Secret Investigating

## POLICE AND FEDERAL AGENTS COOPERATE

By KENNETH T. DOWNS  
International News Service Staff Correspondent

FLEMINGTON, N. J. Feb. 6.—A surprise witness is suddenly called to the stand to testify for Bruno Richard Hauptmann at his trial for the murder of Baby Lindbergh. A look of momentary astonishment crosses the faces of the prosecuting attorneys. Plainly they have never heard of the witness before and are completely unfamiliar with him as he climbs into the witness chair. Yet, when the witness has told his story and Attorney General David T. Wilentz takes him over for cross-examination a few minutes later, the prosecutor, consulting a handful of freshly written memoranda, seems thoroughly familiar with the witness and his past.

This is the amazing sight the audience at the trial is seeing as surprise witness after surprise witness is called in Hauptmann's defense by chief defense counsel Edward J. Reilly, only to be all but blasted out of the witness stand by his own past when cross-examination commences.

**Spectacular Performance**

It is one of the most spectacular and fascinating performances ever staged in a criminal courtroom and it was explained today to International News Service by assistant attorney general Joseph Lanigan.

Lanigan told how, behind the scenes at the trial, some of the best police brains of the nation are constantly at work supplying the prosecution with information. Direct telephonic communication between the Hunterdon county courtroom and the department of justice at Washington and the police of New York, the Bronx, Brooklyn, Jersey City and other cities is constantly maintained.

Lanigan said that in addition to

keeping in direct touch with all the major police headquarters of greater New York City, the state can reach picked "Lindbergh squads" stationed at strategic points in the metropolitan area on a moment's notice. These crack detectives go hurrying out on assignments in New York and the Bronx on telephoned instructions from New York police officers who occupy unobtrusive positions in the courthouse here.

**U. S. Agents On Job**

Agents from the bureau of investigation of the United States department of justice, whose names have never been publicly mentioned in the Lindbergh case, operate similarly from the courtroom. Almost on a moment's notice they can obtain from Washington records on anybody ever arrested in America or Europe. All of these telephone calls from the courtroom are "high-balled" ahead of all others out of Flemington.

The corps of motorcycle police is kept on hand constantly to make any quick investigations around Hopewell or in this vicinity. Thus, Elvert Carlstrom, another alibi witness, had scarcely mentioned that he lived at Dunellen, N. J., at the time of the kidnapping before a flock of blue-coated state police were roaring away from the courtyard outside to check his activities there. What they discovered will completely destroy Carlstrom's story, Wilentz said.

The police co-ordination at the trial is comparable to that during the world-wide investigation which went on for two years, after the crime. It is proving tremendously effective for the state and destructive in the extreme to Hauptmann's defense.

## Seminary Four To Give Concert

The Rev. W. C. Brillica of the Oak Grove Presbyterian church announces that a quartet of Pittsburgh-Kenia Theological students will present a program of music at the church Friday evening, February 8, at 8 o'clock.

The program will include many humorous numbers and stunts, anything from Dvorak's "Going Home" to the popular "Man on the Flying Trapeze."

There will be no admittance charge but an offering will be lifted. The concert is under the auspices of the Young People's Society.

## Today

Sunshine And Races.  
Mr. Romfh's Old Chinese.  
Mighty Is The Automatic.  
Volcanoes Awake.  
By ARTHUR BRISBANE

MIAMI, Fla., Feb. 6.  
ONE NIGHT in Miami, involving nearly two thousand miles of travel to and fro, then back to New York, with a stop-over in Washington. Such is life when you work for modern newspapers.

There is plenty of leisure, apparently, in Florida's brilliant sunshine; tens of thousands of automobiles from all over the United States blocking traffic, parked the length of every street on both sides; horse races by day, attracting crowds that the depression has not impoverished; dog races at night, as if the day is not long enough for gambling.

E. C. ROMFHH, head of the First National Bank, whose bank has never closed, except under government compulsion during the "bank holiday," takes a cheerful view of life and conditions for the long pull. That is easy when your bank has never closed.

He tells of an aged Chinese of Miami who had \$300 in the bank during the panic of 1907, when deposits were repaid in installments. The old Chinese told he could get \$25 each day until he had drawn out his \$300, expressed no concern: "Velly vell," said he. "America too big bloke."

MR. ROMFHH, who came here from Arkansas when four years old and had known every brand of honest poverty and liked none of them when he started banking and raised his bank from ten millions to seventy-two millions of deposits, says one of our troubles is:

"The rich have no sense and the poor have no money."

Also, in the worst of times, when values dropped, salaries dropped, profits vanished, government expenses went on, always increasing. He thinks the American people have got to cease letting politics spend all the people earn.

Some of President Roosevelt's

educated gentlemen that have undergone no greater hardship than being initiated in university secret societies, might learn a good deal talking for half an hour with E. C. Romfh of Miami. He knows what the people are thinking, and what a dollar means, and, asked what is the safest investment, replies:

"A really safe investment is to learn how to catch fish. If you can do that, you can always eat."

MR. ROMFHH wonders why, when everything began going to smash, railroad rates went up, taxes went up, those that held local bonds demanded one hundred per cent plus interest, "like demanding the pound of flesh and a quart of blood."

Also he wonders why the only people that received any consideration as regards taxes were those that owned unimproved lands.

DONALD R. RICHBERG tells union leaders that call him a "traitor to labor" that he is a government employee, not a labor man.

When Legree said, "You belong to me, body and soul," old Uncle Tom answered:

"No you own my body, but my soul belongs to God."

Not exactly in so many words, but similarly, Mr. Richberg tells Mr. Lewis, head of the coal miners' union, "don't let me hear of being a traitor to labor."

"My soul belongs to Franklin D. Roosevelt and the United States government."

IT WAS time for somebody to say what Mr. Richberg says now, that he "didn't want to put the interest of the unions above loyalty to his government."

IT IS a friendly act to remind union labor again that if it wants to know what happens when separate organizations claim the right to run the country, they should study conditions in Italy.

There are no Italian labor union leaders collecting millions a year in dues. Former leaders are working with pick and shovel, or tractor, or lathe, according to their mechanical ability.

MIGHTY is the power of the "automatic." Two bandits walked into a Chicago restaurant, only two, ordered, "Stick em up! Faces to the wall," and immediately one hundred men and women stuck them up and turned their faces to the wall, to be robbed.

It is done repeatedly, because bandits know that the hundred or more can be relied upon always to stick them up.

If they knew that fifty of those "stuck up" would pick up chairs and brain the bandits, even though two or three might be shot at first, such stickups would cease. Mighty are the power of the "automatic" and the instinct of self-preservation.

IN NEW ZEALAND, three "dead" volcanoes suddenly changed their minds and began violent eruptions. Violent thunderstorms announced the change, smoke and stones rushed, with lava to follow.

This will interest that young publisher, Vincent Astor, of New York, who, on his yacht, is bound for Trinidad, a small volcanic island with the comfortable and only little hotel located in the crater of the volcano. The Dutch government built it, but the volcano does not know that.

IT MAY comfort California, which dislikes reading about Florida, to be told that when you buy califlower and many other green things in Florida, you buy things grown in California.

## Lobby Decoration Is Started Today

Federal Building's Main Hall Being Beautified; Painting Goes On

Decoration work in the main lobby of the new Federal building was commenced today by a decorator representing the Arthur M. Gilden Company, of Chicago.

Public offices of the building and post office workrooms. Construction Engineer Robert Colman, Jr., reported, is about 40 per cent completed.

"The downstairs lobby decoration," declared the engineer in charge, "will be of varicolored tones of buff, red, blue and gold, somewhat subdued. It will make a beautiful appearance."

The Marvin Electric Company, it was announced today, has been awarded the contract for installing the exterior light standards at the entrances. The standards are not expected before February 25.

Construction Engineer Colman still is custodian of the new building and will hold the title until all of the work is completed. Postmaster Richard A. Steen then becomes custodian.

**WILLARD MEMORIAL**

On Tuesday evening, February 12, at 8 o'clock in the high school building there will be a Frances Willard memorial program under the auspices of the Harlansburg W. C. T. U. as follows:

Recitation—Mrs. Mae Locke.

Music—Male quartet, directed by Delbert Eakin.

A reading on Frances Willard's Life by Mrs. Alice McKissick.

Music—Women's quartet.

Exercise by L. T. L.

Song by Reed McCullough.

Recitation—Mrs. Mabel McElwain.

Instrumental music.

Drill by Y. P. E. Girls.

Music—Male quartet.

Playlet, "Follow the Gleam," in three acts, given by ladies of the W. C. T. U. with instrumental music between acts.

## On Court House Hill

County commissioners yesterday borrowed \$60,000 to tide the county over until the new 1935 taxes begin to come in. Of the amount borrowed \$30,000 is for the poor fund and \$30,000 for the general fund. It has been the usual custom for the county to borrow at this time of year when the funds generally run out.

In the will of the late Alice Hileman, which has been admitted to probate at the register and recorder's office, bequests are made to George Hileman of Pottstown, Pa.; A. C. Hileman and Eva Hileman of Orisbonia, Pa.; John Hileman of Three Springs, Pa.; Grace Whitehead of Jacksonville, Fla., and Eugene, Alma and Herbert Hileman, children of a deceased brother, James Hileman; and Clara M. Rouse, of Lawrence county.

Lawrence county eligibles for old age pensions, whose applications have been approved at Harrisburg, will likely receive their first payments this week, as word has been received that the department has started to issue checks. It has been a long wait for the pensioners, but it's only another exemplification of the old adage that everything comes to him who waits. The Mothers Assistance board, which administers the fund, is busily engaged in making additional investigations the results of which will be sent in promptly.

With one prisoner charged with murder and three with bank robbery, the era of minor offenders in

the county jail seems to be at an end, for the present at least. For some months past there have been no prisoners charged with higher offenses than drunken driving, larceny, and possession of unlawful liquor. It is expected that the coming March term of criminal court will be shortened by pleas of guilty already made and others which it is said will be made on next Saturday.

One of the adornments of the county commissioners office is a picture of the court house which it was proposed to build last spring, but which never reached the construction stage. It is a stately looking building, and the picture is nice to look at when one is in a reminiscent, or "it-might-have-been-mood." It was thought when the construction of the court house was abandoned, that a vault, or possibly some other improvements would be added to the old one, but there don't seem to be any money for even that, let alone a new court house.

The status of persons who obtained Home Owners Loan mortgages and who have been unable to make the payments has been somewhat clarified by a statement of John H. Fahey, chairman of the board. Fahey says the policy will be one of leniency to mortgagors who are in genuine difficulty resulting from unemployment, or other causes, but foreclosure suits will be started immediately against those who deliberately default in the belief that the Home Owners Loan Corporation will not insist on

prompt payments. The problem of handling delinquencies has been one of the most vexing that the HOLC has had. To date 58 foreclosure proceedings have been started, of which ten resulted from deliberate defaults. The remainder arose chiefly from abandonments. The chairman says that about thirty per cent are behind in their payments. This means about 225,000 of the approximately 750,000 borrowers. Mr. Fahey explains that many of these are merely tardy in meeting their payments and are not classed as defaulters.

Deputy Sheriff Elmer Taylor calls attention to the fact that Thursday, Feb. 7 is the last day on which actions may be started on properties which are to be sold by Sheriff Pritchard at the March term of court. Indications are that the list will be about the same size as that which was up for sale this week.

Love may laugh at locksmiths but it balks in giving the merry "ha, ha," to a snow storm. Tuesday was a very poor day at the marriage license counter.

## RED CROSS BOARD WILL MEET MONDAY

Members of the executive committee of the Lawrence County Chapter, American Red Cross, will have their first meeting under the new officers on Monday evening, February 11, at 7:30.

Paul F. Butz, chapter chairman, will preside, and a number of important matters will come up for discussion.

Miss Mary Ward, a former Democratic committeewoman for Massachusetts, is now immigration commissioner of Boston.

## January Weather Is Nearer Normal

Precipitation And Temperature Are Close To Average For The Month

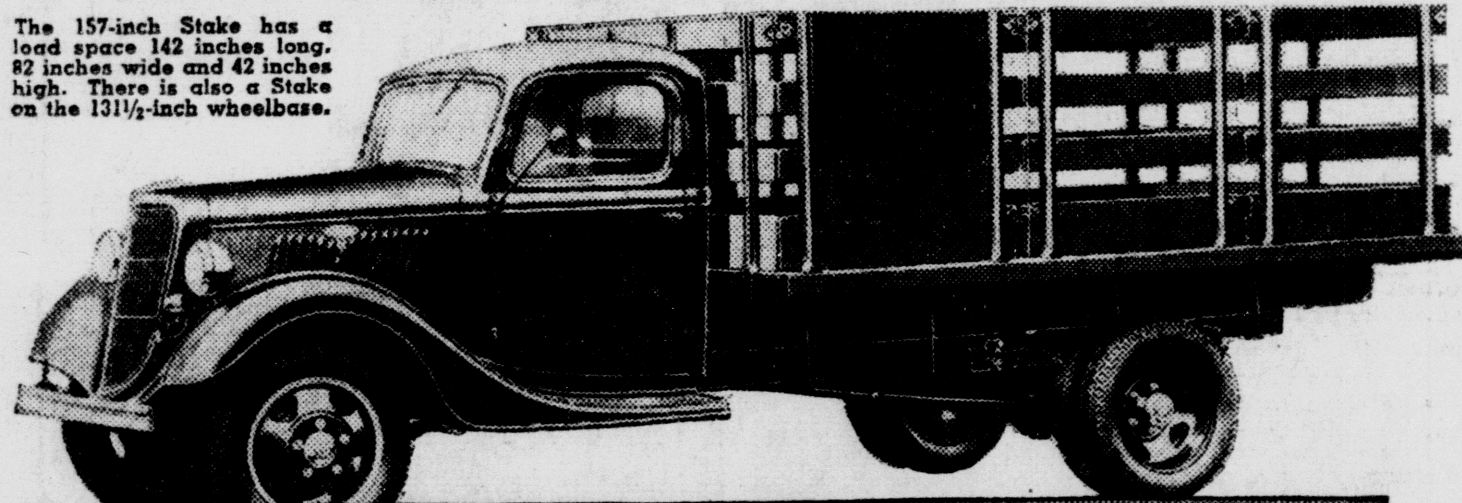

January's temperature and precipitation was nearer the normal mark this year than in some time, the figures of the U. S. Weather Observer, B. F. Johnson reveal.

There was only a slight deviation from the normal mark in both respects. The mean maximum temperature was 37.5 degrees, the mean minimum, 18.2 degrees, and the mean for the month, 27.4 degrees. The normal temperature for January is 27.6 degrees, the month showing a daily average deficiency of but two-tenths of a degree. The highest temperature was 64 degrees on the 22nd, and the lowest was two below zero on the 30th. The greatest daily range was 42 degrees on the 22nd.

The total precipitation for the month was 2.69 inches. The greatest in 24 hours was .79 inches on the 20th. Snowfall during January amounted to 2.7 inches. Days with .01 inches or more of precipitation were 15, days clear were two, partly cloudy 14, and cloudy 15. The normal precipitation for January is 3.02 inches, a deficiency of .33 inches being shown.

In 1934, the temperature was 4.6 inches above the normal and the precipitation was 1.06 inches below normal. There was 1.5 inches of snow fall in January last year.

## FORD V-8 TRUCK

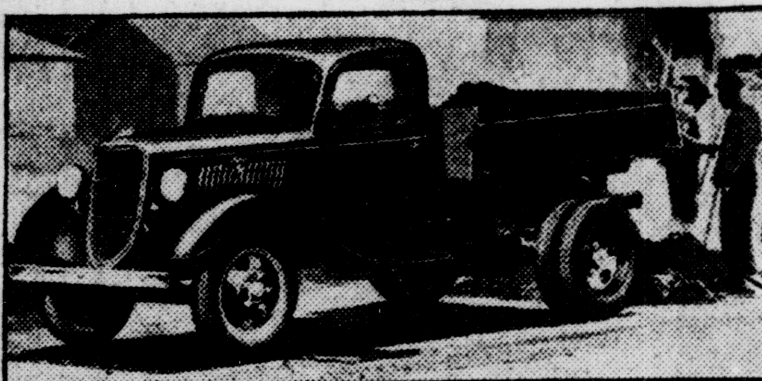

NOW ON DISPLAY AND READY FOR DELIVERY

For 1935, Ford has added many important improvements to the Ford V-8 Truck. Chief among these is better balanced load distribution. The load-center has been moved farther forward, resulting in less body overhang, better braking and more uniform tire and brake wear.

The brakes have been newly designed for quicker, smoother stops with heavy loads. They will not "fade" even when making quick stops in rapid succession. The cast iron brake drums have integral cooling ribs which dissipate heat faster and minimize distortion.

The new clutch has a diameter of 11 inches and a larger frictional area. Pedal pressure is lower at idling speeds. Plate pressure increases by centrifugal force as the speed of the engine increases. This is a new type of clutch developed by Ford engineers.

Crankcase ventilation has been added to the engine. No other change has been made in this engine, which has proved so economical and reliable in the hands of owners. The cooling system has been improved: the

The new 131 1/2-inch Hydraulic Dump Truck has a load space which measures 84 inches long, 66 inches wide and 12 1/2 inches high. . . 1 1/2 cubic yards capacity. Side slots permit the addition of side boards. Either direct-lift or crank-lift hoists are available. Maximum dumping angle is 50 degrees.

radiator is wider and water pump impellers are larger.

Appearance has been materially improved. Fenders are skirted and finished in baked enamel colors that match the hood and cab. The new cab has a sloping windshield. Passenger-car comfort has been provided for the driver. The seat is adjustable, and its width has been increased to 49 inches. Safety Glass is standard equipment throughout. Triple ventilation includes (1) Clear-Vision Ventilation in door windows; (2) Easy-opening windshield; (3) Large screened cowl ventilator. The interior of the cab is completely lined. The roof and dash are insulated.

Ask your Ford dealer to arrange an "on-the-job" test with your own loads, over your own routes, with your own driver at the wheel. Prove to yourself how V-8 Performance and Economy will save time and money for you.

## New Members Of Legion Post Are Initiated

Warren Degree Team Administers Obligation To Large Class Of Candidates

MANY VISITORS  
IN ATTENDANCE

New members of the Perry S. Gaston post, American Legion, were officially inducted into the order last evening, when the Warren, O., degree team put on the initiatory degree before a large crowd of local and visiting Legionnaires in the armory on West Washington street.

In addition to the initiation service there was a program of entertainment, carried out under the direction of Past Commander Tom Edmunds, with Attorney George W. Muse, Spanish war veteran, as master of ceremonies.

The meeting was opened with the Legion ritualistic service in charge of Commander Ches C. Sweeney, who introduced the visiting Legionnaires, which included District Commander Dewey Markey of Beaver county, Deputy District Commander Harry Myers of Butler, Past District Commanders Mike Kane of Aliquippa and Chuck Edwards of Rochester, Commanders H. S. Menzer of Sharon, James Davis of Sharpville, Dr. F. D. Campbell of Bessemer and T. V. Thomas of Warren, O., and Don Schoeppe of Warren, O., member of the Ohio Council of the American Legion.

Talks Are Given.

Short talks were given by District Commander Markey, Mr. Schoeppe

and Commander Davis of the Warren post, Mike Kane and Mayor Charles B. Mayne, who with other members of the city council, were special guests.

Past Commander Louis Goldberg of the Sharon post invited the members to attend the annual Mercer county banquet, which will be featured by the presence of Department Commander Isherwood, on March 4.

Entertainment was furnished by Al Price with the accordion, Sammy Dennis in song numbers and Miss Connie Rock tap dancer.

The Slippery Rock bugle and drum corps, with their snappy red and white uniforms, added a martial air to the program and played a number of selections during the evening.

Amzi L. Conn was chairman of the committee which arranged the meeting, which was one of the finest American Legion gatherings held in this city in some time. In spite of bad weather conditions, the attendance was exceptionally good.

## Debate Feature For Bible Class

Four Young Attorneys To Discuss Married Life Before McKinney Class

The age-old question of whether married men are more content with their lot in life than single men will be settled on Thursday evening in the First Presbyterian church in a debate arranged as the entertainment for the monthly social meeting of the McKinney Bible class. Four attorneys, Gilbert Long, James Chambers, Jr., Kenneth McClure and L. K. Donaldson, with Dr. Charles Wingerd, pastor of the Central Presbyterian church, as master of ceremonies, being the principal participants. The wives of the members, who are the invited guests, will be the judges of the debate.

At 6:30 a committee, headed by Mont Magill, will serve a dinner. Reservations indicate about 150 will attend.

## FIREMAN RECOVERING

Fireman Newt Campbell of the sixth ward department, who has been ill for several months, is able to be about again, and expects to resume his duties in the near future.

## Would Halt Candidates Running On Two Tickets

(International News Service)

HARRISBURG, Feb. 6.—Legislation to prevent candidates for all public offices, including judges, from filing as candidates of more than one party reached the senate floor again Tuesday.

The elections committee headed by Sen. John W. Howell, Lackawanna, reported the Woodward Anti-party "raiding" bill after amending it to remove the exemption for judicial candidates.

In 1933, the legislature passed a similar measure and then recalled it to insert the judicial exemption

clause at the request of former Gov. Gifford Pinchot. The amended bill was finally vetoed.

The Mallery bill authorizing boroughs and townships to sue out writs of scire facias on municipal claims was sent back to committee for amendment.

Other bills reported from committees included the Buckman bill providing for 14 members on civil and criminal juries; The Reed bill clarifying the method of appeals from the real estate dealers license act; The Mallery bill prohibiting conscientious objectors to bearing arms from holding public office.

City Carriers Jesse Reed and Roy Allshouse found the walking difficult and were some behind schedule also.

## TROOP NO. 15

Girl Scouts of Troop 15 met in the Mahoning school at 4 p. m. on Tuesday, had a period of folk dancing to the tune of "Old Suzannah" and went to patrol corners with Morse code instructions.

Plans for the Court of Awards on February 19 were talked over. Later "fox and geese" was played outside in the snow, topped off with a thrilling snow battle.

On Friday after school Mrs. Mary Horchler will conduct a period of bed-making instruction at her home on West Clayton street. On Saturday afternoon at 2:30 o'clock Miss Elizabeth Taylor of West Madison avenue will conduct a period of bed-making instruction.

A regular meeting will take place at the school next Tuesday.

## BEREAN BIBLE CLASS

Provision for a most enjoyable evening was arranged Tuesday by Mrs. S. F. Turk of North Liberty street, who received the members of the Berean Bible class of the local Christian church. The meeting attracted a large attendance of the membership.

A lunch was served during the social period by Mrs. Turk, assisted by Mrs. Hammond and Mrs. Frank Reinhardt.

In March the class will meet at the residence of Mrs. J. C. Bernhart, North Liberty street.

## GROUP ENTERTAINED

Mrs. M. R. Olmstead of Fifth street charmingly entertained the Look-Out class of the Mahoning M. E. church at her residence Tuesday evening.

Twenty members were present and took part in a general business meeting.

In serving a lunch Mrs. Olmstead had as her aides Mrs. Alice McClure and Mrs. Thomas Leighty.

On Tuesday, March 5, Mrs. W. C. Shanafelt of West Madison avenue will entertain.

## SNOWMEN, FORTS

The community's youth took advantage of Tuesday's heaviest snowfall of the year and produced scores of snowmen and huge forts in every section of the ward.

Mahoningtown's largest snowman was erected on the old Lawrence school grounds, corner of Liberty street and Wilder avenue.

## MISS BLACK'S CLASS

Patricia Anne Taylor of Cherry street will receive the members of the Sunday school class of the Mahoning M. E. church taught by Miss Sara Black at her home at 7 o'clock Friday evening.

## SEVENTH WARD PERSONALS

Mrs. W. C. Shanafelt of West Madison avenue has been ill for several days with the grip.

Earl Turk of Sault Ste. Marie returned there Tuesday after a visit with his parents, Mr. and Mrs. S. F. Turk, North Liberty street.

Mrs. Myra Anderson and son Albert and daughters Gay and June of West Madison avenue visited Helen Anderson in Pittsburgh Tuesday.

## ROTARY MEETS

Wilbert "Red" Anderson, foreman on the local RWD project, was guest speaker at the regular meeting of New Wilmington Rotary on Monday evening.

The speaker gave a resume of the work being done in the borough and interested the assemblage with some points on construction work. He pressed satisfaction with the way the work is being carried on, and congratulated the workers on their cooperation.

## NEW WILMINGTON NOTES

The King's Herald will meet Saturday, February 9, at 2 o'clock in the church basement.

The Young Ladies Bible class of the Methodist church will meet on Friday evening, February 8, in the church.

The Queen Esther's society of the Methodist congregation will meet at the home of Misses Inez and Mary Cox for their regular meeting on Thursday, February 7 at 7:30 o'clock.

Mrs. Mrs. Earl Wilson, West Neshannock avenue, has been removed to her home here following a recent operation performed in the Shenango Valley Hospital. She is still confined to her bed, but is doing quite nicely at this writing.

## TWO NEW CASTLE MEN IN REUNION

## NEAR JERUSALEM

Two New Castle men held a reunion at Haifa-on-the-Coast, near Jerusalem, within the past week. The two are R. S. Stewart and J. C. S. Stewart, sons of Rev. J. S. Stewart of 709 North Mercer street. R. S. Stewart is the general manager of the Socony-Vacuum Oil corporation in the Far East, and J. C. Stewart is in mission work.

The occasion was the opening of the famous Iraq Petroleum company's pipe line, said to be a most magnificent piece of work, costing over ten millions pounds sterling. The king of Iraq attended the ceremony and at each station of the company the opening ceremonies were attended with pomp. Mr. Stewart was accompanied by F. H. Henry, one of the New York directors.

## Methodists To Take Action On Pastor Problem

Congregation Will Meet With District Superintendent Thursday Night

A congregational meeting will be conducted in the Mahoning Methodist Episcopal church on Thursday night at 8 o'clock for the purpose of deciding about calling a minister to take over the pastorate.

Dr. C. G. Farr of Grove City, district superintendent of the Erie conference, will be present.

The local church has been without a pastor since January 1 when the resignation of Rev. W. H. Downing became effective. Rev. Downing was forced by poor health to retire and is at the present time with his wife and daughter in Erie.

## CHAINS ON TRUCK

The fire truck of engine company No. 7 was fully equipped with chains on the rear wheels for an emergency call on Tuesday. The chains will remain on until the last vestige of ice disappears from the pavements.

## NEARLY TO HAWAII

Charles Dungan, son of Mr. and Mrs. C. E. Dungan of Newell avenue, was making the last lap on his journey with a contingent of U. S. army men to Hawaii, when he wrote a letter received here this week.

Young Dungan wrote from Angel's Island in the Pacific, and told of a successful but exceedingly hot trip on the United States liner the Chateau Thierry through the Panama canal. He will be stationed in Hawaii with the chemical warfare division.

## New Castle High Defeats Ambridge

New Castle Keeps First Place In Section Three By 31 To 26 Victory

Koszela, Tuscano And Ostrosky Star As New Castle Takes Triumph

(Special To The News) AMBRIDGE, Pa., Feb. 6.—Flashing one of the best offensive attacks seen at the Ambridge High School floor this year, the New Castle High basketball team, leaders of Section Three evened up an earlier defeat at the hands of Ambridge High, by taking a 31 to 26 victory last night in a convincing manner.

Henry Koszela, Brownie Ostrosky and Harry Tuscano brought victory to the Red and Black passers. Koszela played a sensational game, his work being smooth and accurate.

New Castle took the lead in the first period with an 8 to 6 count through the fine work of Koszela and Ostrosky who had two field goals apiece. At the half the Ambridge had slipped into the lead at 13 to 12, with Spadafore the big point man for the "Bridgers" with four field goals and two fouls. New Castle held to a field goal and two fouls in the second period.

**Take Big Lead**  
In the third period, the New Castle team flashed their power and came through with 11 points against three for the locals, and took a lead of commanding force at 23 to 16 as the third stanza ended. Tuscano and Ostrosky who was shifted to forward went berserk and scored field goals almost at will.

In the fourth and final period the New Castle team was content to play a smart defensive brand of basketball and held the Ambridge to 10 to 8 in the period. Spadafore led the scorers with 13 points, but was followed closely by New Castle's three star performers, Koszela, Ostrosky and Tuscano. Covelli played a starting guard last night and looked very good on the defense.

It was a real triumph for New Castle after taking a 21 to 16 licking at New Castle earlier in the year at the hands of the Rubensteinmen.

## HERE AND THERE IN SPORTS' LAND

Following a seven hours conference during which the National league schedule for 1935 was ratified, announcement was made that the league's club owners had guaranteed payment of rent for the Braves field until 1946. Emil Fuchs was retained as president of the Braves and William S. McKeechle will continue as manager of the club. The league club owners went on record as not permitting double-headers to be played at night, neither can a game be started in the day time and finished at night.

Alex McWilliams, Princeton pole vaulter, may be unable to take part in the national indoor championships at Princeton February 23 because of an injury suffered while playing the game of ping pong.

Eulace Peacock of Temple U will be one of the competitors in the seventh annual West Virginia indoor games at Morgantown, W. Va., Saturday. He is one of Uncle Sam's leading possibilities for the 1936 Olympics. He is a sprinter.

Major Nicholas Biddle of Jenkintown has been named by Governor Earle to the board of game commissioners for Pennsylvania. He succeeds Alfred Muller of Norristown, president of the board, who resigned.

## Second-Half Of City League To Start Tonight

First Half Title Is In Question Between Gersons And Perelmans

The second-half of the City Basketball league season at the Humbert floor, will start tonight. Three games will be on the program for tonight. The first game will start at 7:30 o'clock.

The Boys and Kirppus will battle in the first game on the card tonight. The second game at 8:30 o'clock will have the Perelmans playing the National Pants. The third game will find the Gersons and Johnson Bronze teams tangling. The playoff of the first-half of the season will be on February 14 at Humbert hall with the Gersons and Perelmans meeting.

Class basketball league started at Senior High yesterday with the Ben Franklin High team taking a 21 to 17 victory over the Junior B quintet. Koszela, Nocera and Strasbaugh were the star performers for the Wallacemen, with Brest and Criseli the big stars in the lineup of the Juniors.

## Fans Like To Watch Amateurs

Amateur Boxers Not On Speaking Terms With Stalling

SOME GOOD BOXERS HAVE BEEN CARDED

One of the reasons why fistic fandom flock to amateur boxing shows is due to the fact that the amateurs give everything they possess in the Art of Manly Self-defense and are not on speaking terms with stalling. And if indications do not slide away, there'll be several thousand fans and fannettes at the Cathedral, one week from tonight when the amateurs toss boxes.

Several days ago seven thousand fans crowded into the Public auditorium at Cleveland to witness the Golden Gloves tourney and during the last three days of last week the amateurs played host to big crowds at the Metropolitan club in Pittsburgh.

After the battles had been finished at Cleveland and Pittsburgh some of the boys who electrified the audiences with their performances were booked for the New Castle police department's second venture into amateur boxing. Eight or nine bouts will be staged here, police officials report.

Although there are names in the fistic world which mean considerable none of them in amateur ranks mean more to local fans than that of Paul Kraynak, the middleweight, Ray Atkinson, the welterweight, and Custy Morini, the lightweight. They are as good, it is reported, as any in their class anywhere.

And speaking of sluggers the fans are not forgetting Tony Adamo, the local celebrity who either wins or loses quickly. He possesses a neat punch but when he faces Chuck Arktet the latter will pit his experience and cleverness against Tony's punch. There's considerable local rivalry between these boxers.

Butler Boys Carded  
Frankie Rachig will step out of Bessemer for an evening's evenin' and his opponent will be Frankie Massa of Koppel. Massa has fought one dozen times while Rachig has entered the ring not more than eight or nine. Paris Gangey manages Massa and the veteran Jimmie Dime is tutor for Rachig.

Jimmie Dunn will be in charge of the aggregation from Cleveland. The Ohio boxers have been collected from various stables—namely the Papke A. C., the Getz A. C. and other clubs which sponsor all amateur athletics. Some of the boxers made neat showings in the Golden Gloves tourney recently.

Butler will be represented by two welterweights, Daro Zelarino who fought Ray Gray of New Castle a hot three round scrap a week ago Tuesday and also Jack Virgella who won a decision from Ray Atkinson. The latter wants to even the score so they were pitted against each other for next Wednesday night.

The first bout will start at 8:30 p. m. Police will do traffic duty and the Service division of the Cathedral will have charge of the ushering. There will be about 200 ring-side seats on the stage. Hundreds of other reserved seats are on the first and part of the second floors of the auditorium.

All of the patrolmen on the beats and the sergeants and detectives at headquarters are totting tickets and are anxious to dispose of several thousand. The net receipts of the fistic venture will be used to furnish equipment for the police department.

**Polish Falcons Defeat Hearts**

Falcons Topple Church League Team 39 To 16 In Game At Falcon Floor

Polish Falcons handed the Sacred Hearts a 39 to 16 defeat last night at the Falcon floor in a most convincing manner. The shooting star of the engagement was Russ Kawa with 12 points, while Sniezek, Budai and J. Grommes also played a fine brand of basketball. It was 15 to 16 at the half in favor of the Falcons. The Hearts led the first period 6 to 4.

## Penn State Five Will Join League

(International News Service) STATE COLLEGE, Pa., Feb. 6.—Pennsylvania State College will replace Bucknell University in the eastern intercollegiate basketball conference at the close of the season, according to an announcement at Philadelphia today by W. D. Harrison, president of the circuit. Two years ago when the loop was organized, Penn State declined to join because the college felt the schedule embraced too many trips.

## Meine Asks For Retirement From Organized Ball

Heine Meine Will Not Report To Pirates This Spring, Is Reported

(International News Service) PITTSBURGH, Feb. 6.—Admitting they "were not surprised" at the request of Heine Meine, veteran Pittsburgh Pirate pitcher, to be placed on the voluntarily retired list, officials of the team today awaited the decision of Judge Kenesaw M. Landis, baseball commissioner, on the request.

Meine, who announced that he had "quit baseball, temporarily at least," explained that he sought his retirement because of poor health that caused him to have a "poor season" last year. The right hander won seven and lost six games. He said he had no difficulties with the Pirates' business management over salary terms for 1935.

"This season I'm going to wait a while and find out whether I'm as strong as ever," Meine said. "Maybe, when the hot months roll around I'll rejoin the club."

## St. Michaels Will Play In Youngstown

Coach Michael "Jake" Babovsky will take his strong St. Michaels church basketball team to the Lincoln gym at Youngstown, O., tonight for a Penn-Ohio church league game with the Steelton, O., Holy Name church team. The St. Mikes handed the Steeltons a defeat earlier in the year and hope to repeat tonight. Balla and Molsko are rarin' to go tonight and if these boys are "on" it will be too bad for the Ohioans.

## Dempsey Is Given Right To Referee

(International News Service) NEW YORK, Feb. 6.—The state athletic commission today lifted the ban on Jack Dempsey as referee. Fight and wrestling promoters were given the right to engage Dempsey as a special referee for their cards providing the commission has designated the bout in which he is to officiate.

At the same time the commission ruled that Max Baer may fight exhibitions of less than 15 rounds with his title protected, even in the case of a knockout.

Under the new rule all titleholders may engage in overweight, non-title battles.

**MUSHBALL TEAM MEETS**  
Tonight in the home of Edward Yerage, South Side, members of the Catholic mushball team will meet for the purpose of outlining plans for the coming season. The meeting starts at 7 o'clock. During the past few years the Catholics have compiled an enviable record.

**ALIQUIPPA HIGH WINS**  
Aliquippa high idle in section three last night handed the Leetsdale high quintet a 29 to 19 upsetting at the Aliquippa floor, with Walker and Philipovich the high scorers of the engagement.

## Titans And Geneva Will Clash Tonight In Westminster Gym

(Special To The News) NEW WILMINGTON, Pa., Feb. 6. With indications of a capacity crowd, and with promise of one of the outstanding court games of the season, Westminster and Geneva basketball quintets are on edge for tonight's game here at 8:15.

Coach John Lawther of Westminster believes that Ken Loeffler has one of the fastest teams in the section. If Ginsberg, Aultman, Milanovich, Hurley and Beltsch have an "on" night, it will take the outstanding play of Titan guards to stop the Covenanters.

The eligibility status of two or three Titan players still undetermined. Lawther may have to start a revised lineup from what he planned to use. This will slow up the Titan offense and defense.

Lawther will probably start Sweeney and Bachus at forward, Bennett at center, and Wilhelm and Krivosch at guard. This is the same five which started against Bethany on Monday night and played most of the game. Jack Willis will also be called on for relief duty. If, after conferences yesterday, Hunneke and Leyschock are found eligible, the starting lineup may be changed.

Geneva will probably have Ginsberg and Hurley at the forwards, Beltsch at center, and Aultman and Milanovich at the guards. This combination includes speed and height and plenty of scoring ability.

A few tickets for the contest were still available this morning, and it is thought that there will be about 100 available yet tonight. Large blocks of seats have been reserved by fans from surrounding towns and cities, and orders have been coming in for the last week.

The fact that Ken Loeffler has been using a zone defense most of the time this year promises to make this contest unusual in that both teams will use the same defensive tactics. Then, too, the offensive methods of the two teams are quite

alike, all of which may mean a fast game with a low score and the winner being determined by a few points.

The probable lineups:  
Westminster . . . . . Geneva  
Bachus . . . . . Ginsberg  
Sweeney . . . . . Hurley  
Bennett . . . . . Beltsch  
Wilhelm . . . . . Aultman  
Krivosch . . . . . Milanovich  
Referee—Allison, Allegheny. Umpire—Evans, Lebanon Valley. Game starts at 8:15.

This sign identifies all the 30,000 Esso Stations and Dealers from Maine to Louisiana who represent the services and products of the world's leading oil organization.

## Confirmed by 1½ Million Users

From the very start, we avoided making extravagant claims for Aerotype ESSO.

There was no doubt in our own minds that it would outperform all other motor car fuels. But we wanted Aerotype ESSO, itself, to prove what it would do.

Therefore, we introduced it under an unconditional guarantee\*—offering to refund in cash the premium paid for it, to any user who did not find it the most efficient motor car fuel he had ever used.

## Quick Starting a Feature

Among the things Aerotype ESSO had to prove were that it would "fire" faster . . . start quicker . . . and deliver peak performance in less time and with less "warm-up" than any other fuel made.

How well it demonstrated its ability to fulfill these requirements is disclosed by the following simple and conclusive data:

**INTRODUCTORY GUARANTEE OFFER IN FORCE — DEC. 1 TO DEC. 21, 1934**  
No. purchasing Aerotype ESSO . . . 1,529,752  
No. refund requests for all reasons (less than 1 out of every 10,000 who bought) . . . 113

# Pennsylvania Floor Teams Are "Poison" To New York Fives

Westminster, Duquesne And Geneva Command Respect In Eastern Floor Circles

New York U. And Dukes May Be Invited To Play In Championship Battle

By ARTHUR H. WAKELEE  
International News Service Sports Writer

PITTSBURGH, Feb. 6.—Current season performances of western Pennsylvania college basketball teams, both at home and on foreign courts, give a clear indication of the growing importance of those teams in the national intercollegiate basketball picture.

Supremacy in the so-called "eastern" group of colleges, has, paradoxically, shifted west to this district, in the opinion of many. Certainly Metropolitan New York teams that fell victim to the recent invasion of the Pennsylvania group can attest to the strength of the visiting court squads that swept everything before them.

New Yorkers humbled by the brilliant performances of the Duquesne University squad, the Keystone state teams humbled the best court talent New York had to offer. New York University and Columbia, the only two teams in the metropolis that did not meet the invaders, considered themselves fortunate in that their season's records were not imperiled by a schedule that included games with the Pennsylvania quintets.

Representing a school of small athletic enrollment, the cagers of Geneva College began the undermining of the New York supremacy by winning over a previously unbeaten Rider College team. Long Island University and Nat Holman's City College team.

Westminster then celebrated its arrival on Broadway by administering defeats to St. John's City College and John Marshall. Until the time of their meeting with the Westminster combine, the St. John's courtiers, for many years one of the finest teams in the New York area, had not known defeat this season.

Following Fordham's loss to the University of Pittsburgh Panthers, Duquesne headed east and rolled up three outstanding victories to climax the eastern tour. Their wins were scored over Manhattan, St. John's and Army, successively. Earlier in the season they defeated City College at home.

While the crowning of an eastern champion obviously must await the season's end, at least two of the western Pennsylvania teams, Duquesne and Westminster, rank high in the averages. Duquesne's sensational court record, climaxed by its 24th straight victory in toppling Villanova, entitles them to a chance at the crown.

Many observers agree that a post-season game between the Dukes and New York University would settle the "leading team" issue. But that meeting is in the discussion stage as yet, and, according to reports, is likely to continue in that status.

## Lewis' Petition Is Being Signed

Alderman Richard R. Lewis of South Mill street announced today that close to 500 employees of the Carnegie Steel company have endorsed the plan which he presented at a meeting of all steel workers of the corporation last Friday evening in the court house.

All those who have not as yet signed are requested to come to Alderman Lewis' office and do so. The petition will later be presented to officials of the company in Pittsburgh.

## Pitt Prepares For Duquesne

Pitt Takes 57 To 30 Victory From W. & J. Passers, Bethany Tops Grovers

(International News Service)  
PITTSBURGH, Feb. 6.—After swamping Washington and Jefferson, 57 to 30, in what was slightly more than a brisk workout for them, Pitt's cage squad today were busily engaged in building up their defenses for a last effort to "stop" Duquesne.

Duquesne's floormen, traveling at a break-neck pace with 24 straight victories to their credit, will attempt to down the Panthers for the second time during the season, thus clearing the way for an undisputed claim to the city title.

The Panthers last night whirled the Presidents completely off their feet as shots found the meshes from all angles. At half time the score was 30 to 12, the second half found Pitt continuing its rampage.

Bethany Wins  
Grove City's defense, fell before the onslaughts of Bethany to lose, 49 to 35. Bethany's long passes and open floor work baffled the Grovers. Tonight's schedules takes Geneva to Westminster, Slippery Rock visits Allegheny, Bethany goes to Thiel, Bucknell and Penn State clash on Mt. Nittany, West Virginia Wesleyan travels to Waynesburg, New River shoots at Fairmont and Marshall goes into Ohio for a battle with Ohio University.

## Shenango Church League Results

St. Marys, Castlewood And Savannah Win Games In League

St. Marys topped the Center church quintet, 25 to 23, in the feature game on the Shenango township church basketball league card Monday night at the Shenango high floor, with Frenzel, the big star of the battle, getting 19 of the points. Castlewood handed the Harmony church quintet a defeat of 29 to 7, with Arnold the outstanding star of the engagement. In the third game, the Savannah church team bested the Calvary team, 24 to 10, with Craig, Body and Farrell doing the bulk of the scoring.

The following game will be played in the league Thursday night: Savannah vs. Castlewood; St. Marys vs. Harmony; and Calvary vs. Center.

## Beaver Falls Hi Defeats Ellwood In Close Game

Last Quarter Rally Of Blue And White Thrills Fans Here Last Night

Cole Stars With 13 Points; Locals Unable To Locate Hoops In First Half

ELLWOOD CITY, Feb. 6.—Ellwood City high school lost a close and hardfought basketball game to Beaver Falls high cagers after a last quarter rally was cut short by the final whistle at Lincoln gym last night. The final score was 25-19.

The game was practically slow throughout until the final chapter. Exceptionally poor shooting in the first half cost Ellwood the game. They worked the ball into scoring position nicely, but could not seem to locate the hoops.

Ellwood scored only one point in the first quarter and was held scoreless in the second. The invaders got four in the first and two in the second to make the score 6-1 for Beaver Falls at half time. Things began to move a little faster in the ensuing period. The invaders located the hoops with consistent regularity from all angles of the court. Just before the period ended Bill Cole, sterling Ellwood forward, began a sensational individual performance that gave him two field goals and two fouls in rapid order. The count at the end of the period was 18-7 for the visitors.

The Tubers finally seemed to have gotten hold of themselves in the final period and made things hot and interesting for the invaders. Cole continued where he had left off and ripped the cords for three more field goals and one foul in rapid succession. Luxemburg had added a foul before Beaver Falls scored again, when Tachovsky registered two free throws. Caparrell, who came to the fore with a nice snout from the sidelines to make the count read 20-17 for the Tigers, with about three minutes left to play. Here two alleged mis-calls by the referee placed the locals at a disadvantage. Tachovsky counted three free throws and Robuck called again for Ellwood.

Robuck called again for Ellwood before the whistle blew, making the final score 25-19. Hartnett and Wertz played stellar roles for the winners, both counting up three field goals and one foul apiece.

Reserves Victorious  
In the preliminary game the Ellwood High Reserves avenged their previous defeats at the hands of the Beaver Falls Reserves in satisfactory fashion last night. They took an early lead and were never headed. The final score was 23-11 for Ellwood. The count in the first quarter was 5-4, in the second 13-5, and in the third 19-8. Fenechi was the star of the game with five field goals and two fouls. Young also played a good game. Killian and Rooney were outstanding for Beaver Falls.

On Friday night the Benedictmen will journey to New Castle for a return game with the red and black and endeavor to avenge that one-point defeat suffered here.

## Ellwood Girl Is Wed In Chicago

Miss Sarabelle Bolotin Becomes Bride Of Earl Gaines Yesterday

ELLWOOD CITY, Feb. 6.—An event of unusual interest to local people occurred yesterday at 5:30 p. m. at Chicago, when Miss Sarabelle Bolotin, daughter of Mrs. Anna Bolotin, of this city, became the bride of Earl Gaines, son of Mr. and Mrs. Harry Gaines, of Chicago, Illinois.

The bride was attired in a beautiful beige gown with matching accessories. She is well known here and graduated from the local high school with the class of '31. The groom is a graduate of the Louisville, Ky., high school, and attended the University of Louisville. He holds a responsible position in Chicago. Mr. and Mrs. Gaines will be at home to their friends at 7030 Sheridan road, Chicago, Ill.

## Meetings Held By Missionary Groups

ELLWOOD CITY, Feb. 6.—Three missionary groups of the First Baptist church held their monthly meetings last night.

Group No. 1 met at the home of its captain, Miss Carrie Hazen, with 11 present. After a short business meeting they studied the last chapter of their mission study book and then quit patches for white cross work. A delightful social time followed.

Mrs. Lafe Faurie entertained Group No. 2 in the church parlors and had ten members present. Plans for the missionary program on Feb. 21 were made at the business meeting. A social hour and luncheon were then enjoyed.

Missionary Group No. 3 held its meetings at the home of Mrs. D. R. Williams on Wayne avenue. A fine social time followed the devotional and business sessions. All the groups will meet again on March 5.

## P. H. C. Installs Officers Tuesday

ELLWOOD CITY, Feb. 6.—Local P. H. C. installed officers at its regular meeting last night in the city hall. State Deputy M. M. Hendon of Erie was the installing officer.

Those installed were as follows: President, Mrs. Pearl Daugherty; vice president, Mrs. Ida Duncan; guardian, Mrs. Jennie Billig; chaplain, Mrs. Stella Boney; secretary, Mrs. Iva Forsythe; accountant, Paul Webster; treasurer, Marion Duncan; guide, Mrs. Lottie Fye; sentinel, Clarence Webster; watchman, Arthur Main, and past president, F. D. Bugue.

A social time and luncheon followed this. The next meeting of the organization will take place on February 19.

## B. And P. W. Club Meets On Tuesday

ELLWOOD CITY, Feb. 6.—Business and Professional Women's club of this city held its regular meeting and luncheon at the Hostess House on Glen avenue with 16 members present.

Following a delicious dinner a short business meeting was held. Plans were made to hold card parties on February 28 and March 4 at the home of Louise Barton on Glen avenue. This will be for the benefit of the educational fund. The club also at this time accepted the invitation of the New Castle organization to attend their next meeting on March 5.

## KNOX CLASSES HAVE MEETING

ELLWOOD CITY, Feb. 6.—Following the mid-week prayer service held by the Knox Presbyterian church, members of the Adult Bible classes assembled for their regular monthly meeting with twenty-five members in attendance.

The devotional period was conducted by Rev. R. E. Bell. During the business meeting, plans were made for the annual Kiwanis supper to be held at the church on Tuesday evening, February 19. A number of committees were appointed. Informal diversions, including group singing and games, held the latter part of the evening. A hearty repast was served by Mrs. Ernest Peffer, Mrs. Roy Denhart and Mrs. Garnett Powell. The next meeting will be held on Tuesday evening, March 4.

## MRS. HOWARD JONES ENTERTAINS CLUB

ELLWOOD CITY, Feb. 6.—Mrs. Howard Jones entertained the members of the Tuesday Afternoon Contract club at her home on Orchard avenue. Mrs. Charles Turner and Mrs. Lee Sekulski were special guests.

Bridge was the chief diversion of the day with two tables in play. Mrs. Ralph Evans and Mrs. Donald Uebelhardt were presented with the prizes at the close of the games.

At a later hour delicious refreshments were served by the hostess with the assistance of Mrs. Harry Harris. The club will meet in two weeks with Mrs. Clarence Nelson on Beachwood boulevard.

## Ellport Council Convenes Tuesday

ELLWOOD CITY, Feb. 6.—Members of the Ellport borough council convened in regular session last evening in their usual place of meeting with a majority of members participating.

No action was taken concerning the erection of a red-light or the securing of a traffic officer for the school intersection near the Bend road house.

The auditors and tax collector's reports were accepted and approved. There is a balance left in the treasury for the beginning of the new year.

Railroad Shares Again Under Pressure, With Several Hitting New Lows

(International News Service)  
NEW YORK, Feb. 6.—The stock market continued heavy today.

Railroad shares were again under pressure with Union Pacific and Atchafalaya falling to new lows for the year.

Utilities were weighed down by announcement the administration's holding company legislation would be introduced into congress today.

News from business was ignored. Steel operations were higher for the week and the iron age review forecast operations for the quarter. Power output was lower. Traffic gains were shown in more individual railroad reports.

Studebaker sold under \$1 a share on further liquidation. General Motors and Chrysler were lower.

Steel shares eased, oils were sluggish and American Telephone was under pressure.

Building and farm shares were backward. Woolworth was unaffected by the decline in its sales in January. Commodities and bonds were lower.

## Holding Company Legislation Will Be Introduced

Bills Will Be Presented Requesting Legislature To Curb Activities

(International News Service)  
WASHINGTON, Feb. 6.—Bills will be presented in the Senate and House today requesting legislation to curb or even eliminate the strange hold some big holding companies hold over their investors and the general public.

Initial action was agreed at a White House conference, the second President Roosevelt has held on the subject which he has described as "the holding company evils" in the last 10 days, but he decided Congress should frame the legislation. After its six-year investigation of the holding companies of the major utilities, the federal trade commission has suggested two remedies to hold these companies in check—taxation and rigid regulation. The commission said either one, or both, methods could be used without conflicting with each other.

## Ringling Brothers Sign Sharon Girl

Girl Who Lost Both Legs In Accident Will Do Act In Circus Tent

(International News Service)  
SHARON, Pa., Feb. 6.—Because determined Olvera Bennett, 15, didn't give up after she lost both her legs in an accident, she held a contract today with Ringling Brothers circus, to walk up stairs on her hands. Olvera first began to use her hands for walking following the accident which robbed her of her legs. Accompanied by her mother, Myrtle Bennett, she will begin appearances with the circus April 10 under a \$25 a week contract.

## LACE AND OTHER SHEERS MAKE ROMANTIC GOWNS WITH NEW DETAILS

Lace and other sheer materials are used for romantic dresses with new details. For instance, at left is a Lelong dinner dress of black

tulle with side-pleated skirt. The top of the dress is black velvet to match the short capelet. Big diamante buttons are used for a finishing touch. Right is another

Lelong model of navy blue crepe with very stiff pleated net used for the front, peplum and bottom

of skirt. Center is a blouse of new silk latex lace from Dilkusa, worn by the designer herself.

## HOLDS LIQUOR SALES LAW IN CITIES VOID

FRANKLIN, Pa., Feb. 6.—This city has no authority, under state law, to regulate hours of sale for liquor and beer, according to an opinion rendered by City Solicitor Maurice P. Breene, who has written to the attorney general. The opinion was presented after Councilman Thomas S. Elliott offered an ordinance prohibiting all malt liquor sales after 11 p. m. Breene expressed his opinion that stricter liquor control should be provided, but the proposed ordinance, he said, could not be enforced except with consent of license-holders. Councilman Elliott, ill for a month, was not present when the decision was rendered.

## MANY NEGLECT TO RENEW AUTO TAGS

HARRISBURG, Feb. 6.—Despite the unusual speed with which Pennsylvania owners are renewing their motor vehicle licenses, the commonwealth still has more than 380,000 potential customers for early registrations.

In this group are owners of cars registered at the close of last year and not yet re-licensed for 1935. To these persons the Department of Revenue offers a bit of advice and a warning. The advice is a reminder that, by renewing his registration now, the owner gets the greatest returns for the license fee he pays. The warning is contained in reports showing state highway patrolmen arrested 2,000 persons who attempted to operate unregistered motor vehicles last year.

## WONDER IF NEW CASTLE WILL GET MORE TRADE?

EAST LIVERPOOL, O., Feb. 6.—Cities bordering on Pennsylvania and West Virginia were urged today by Judge E. M. Winegardner of McConellsville, to support Ohio's three per cent retail sales tax as a means of providing funds for poor relief, old age pensions and operating expenses for schools and political subdivisions. "If you cross the state line to do your buying, your money will not care for your unemployed, will not support the aged and infirm and will not keep our schools open or pay the salaries of your patrolmen, firemen, and other city employees," he declared.

## DEWALT B. ROBINS CALLED BY DEATH

(International News Service)  
MERCER, Pa., Feb. 6.—Dewalt B. Robins, 81, dean of Mercer County businessmen and one of the founders of the old Fredonia Institute, died at his home in Fredonia today from an attack of pneumonia. He had operated a hardware store for 60 years.

ATTENDING CONVENTION  
Dr. C. C. Green, superintendent of schools, and Directors W. W. Duff and Roy W. Hazen left for Harrisburg Tuesday night to attend the convention of School Directors and Superintendents. The men were authorized by the board at the last meeting to attend the meeting as it was felt that the present need for remedial legislation in school matters warranted their attendance.

## Death Foils Man's Attempt To Clear Name Of Charges

(International News Service)  
PITTSBURGH, Feb. 6.—Death denied Pacifico Nucci, 55, the chance he was to have had today to clear himself as a jailed suspect in a \$300 Indiana township barbecue holdup. He collapsed in the county jail and was taken to Mercy hospital where he died.  
Nucci was arrested along with two nephews, Frank, 25, and Alex Nucci, 19, and another suspect, Henry Lambert, 22, Sharpburg, the latter trio was accused of meeting in Nucci's home before the holdup. Detectives said the elder Nucci would probably have been discharged at the preliminary hearing today.

## John D. Rockefeller Virtually Invalid

(International News Service)  
ORMOND BEACH, Fla., Feb. 6.—John D. Rockefeller, Sr., multi-millionaire oil king, has become virtually an invalid, according to information received today from members of his winter household here. The aged financier is now forced to take nearly all of his meals in his own room, one informant disclosed. The few moves he makes about the house are with assistance, and an elevator is used to carry him from floor to floor. Because of his declining health, Rockefeller's daily recreation is confined to a sun-bath in a specially constructed enclosure on his estate, and an occasional stroll through the flower garden. Rockefeller passed his 95th birthday last August.

## ISSUE 24 PERMITS

City engineers have issued 24 permits to firms during the month of January and so far this month for street excavations, according to a check made at city hall.

## Pennsylvania Shows Increase In Tax Payment

Collections Greater In Pennsylvania Than In Nation As Whole

## INCOME TAXES BELOW AVERAGE

By ARTHUR C. WIMER  
Special Washington Correspondent  
WASHINGTON, D. C., Feb. 6.—Collections of taxes by Uncle Sam during the fiscal year of 1934 increased to a somewhat greater degree in Pennsylvania than the nation generally, according to figures released today by the Bureau of Internal Revenue.

Federal revenue collections in the Keystone State totaled \$221,972,801 in 1934, an increase of \$67,805,065, or 44 per cent over 1933. Such receipts in the country as a whole aggregated \$2,994,172,571 in 1934, an increase of \$862,225,292, or 43 per cent. The climb in Pennsylvania was about one per cent greater than in the nation as a unit.

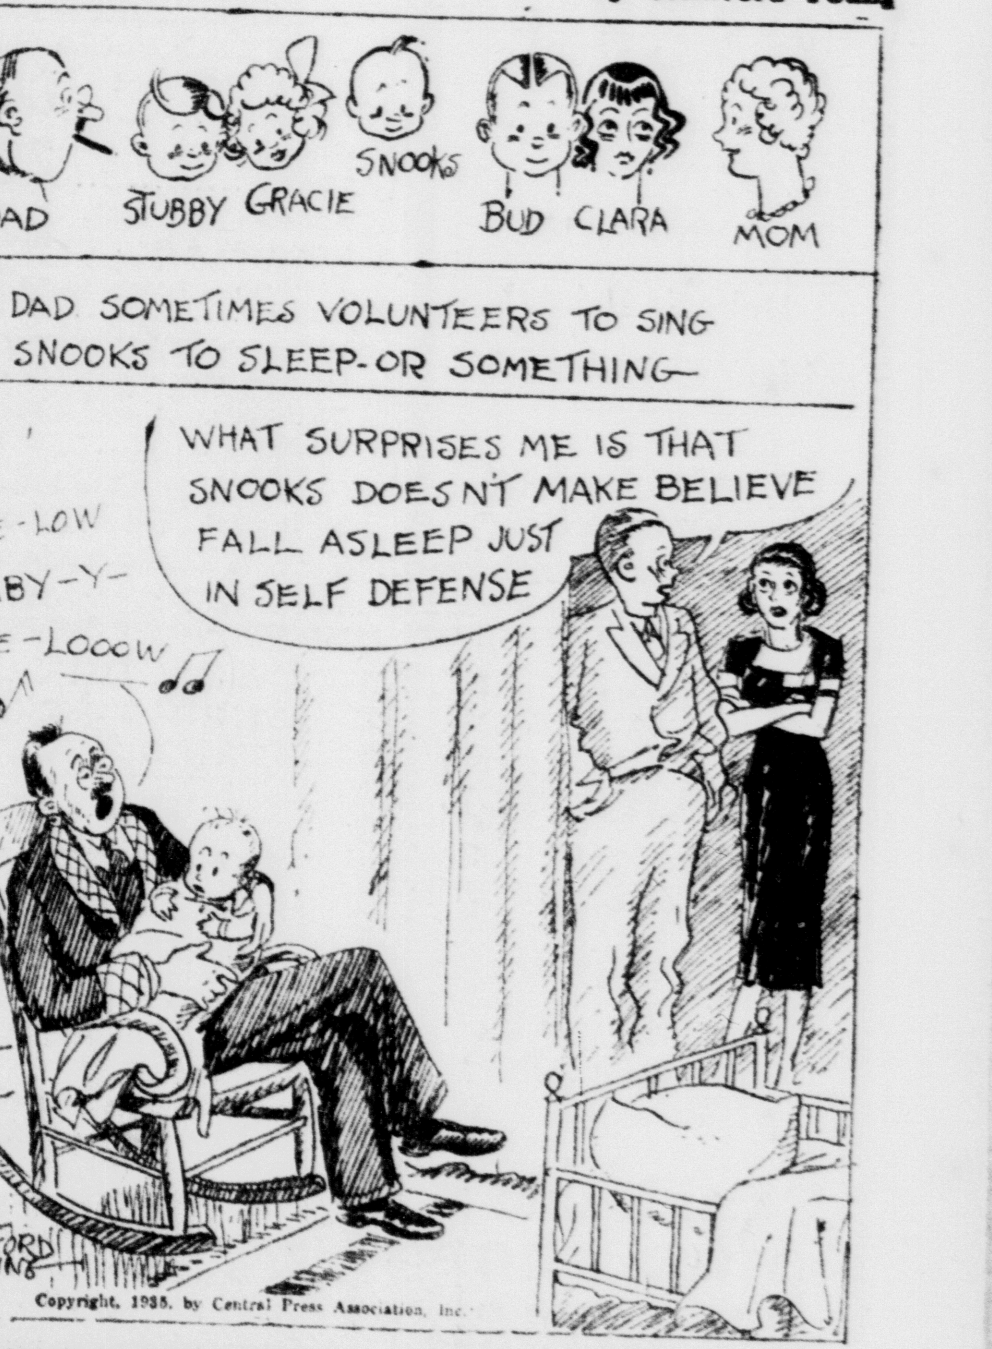

Income tax collections in 1934 amounted to \$74,311,793 in Pennsylvania, an increase of \$11,122,213, or only 17 per cent. Income tax collections in the country as a whole, on the other hand, increased more than 28 per cent, aggregating \$620,773,572 for the year. Miscellaneous taxes in Pennsylvania totaled \$132,464,115 in 1934, an increase of \$46,493,271, or 34 per cent. In the country as a whole, such taxes amounted to \$1,573,080,844, an increase of only 28 per cent. Miscellaneous receipts, according to these figures, increased almost twice as much in Pennsylvania as the nation.

Individual income tax in Pennsylvania increased from \$33,443,404 in 1933 to \$38,204,183 in 1934. Corporation income tax in the state increased from \$29,746,175 to \$36,107,609.

# Hope To Place Four Million Men On Jobs

(International News Service)  
 WASHINGTON, Feb. 6.—"In the-ory" all unemployed now on relief rolls will be put to work on public works projects under the new \$4.-880,000,000 work relief bill, Public Works Administrator Harold L. Ickes said Tuesday.

Asked if public works projects al-ready under way, or for which ap-plications are on file, would provide jobs for the 4,400,000 now on relief, Ickes said:

"All of this is theory. It is a mat-ter that can only be decided when the bill is passed and when the pres-ident makes known his program."

# Regulations For Banks Received

Marcus Feuchtwanger Gets In-formation On Banking Terms Under FHA

The director of the Federal Hous-ing Administration of Lawrence county has received the following information regarding housing loans.

"That all National banks ap-proved by the Federal Housing Ad-minist-ation, as mortgagees under its mutual mortgage insurance pro-gram, have the necessary authority to proceed immediately with the making of such loans, restrictive state laws notwithstanding."

"It was also emphasized that Na-tional banks may proceed im-mediate-ly to make loans for residential construction maturing in six months or less, with the assurance that such loans will be classified as or-dinary commercial loans redis-countable at the Federal Reserve banks, provided the administra-tion has given a commitment to in-sure a mortgage on the property when the residence is completed."

Because of special efforts to have legisla-tures amend state laws gov-erning mortgage loans so as to con-form to provisions of the national housing act, the administration states, many persons appear to be under the impression that no bank can make mortgage loans to 60 per cent of the appraised value in those states where such loans are restrict-ed to a smaller percentage.

"These special efforts are being made in 44 states, in most cases with the active support of the gov-ernor, to change the mortgage lend-ing laws in order that state institu-tions can take full advantage of the national housing act provisions."
